fall

I'll take

you

with

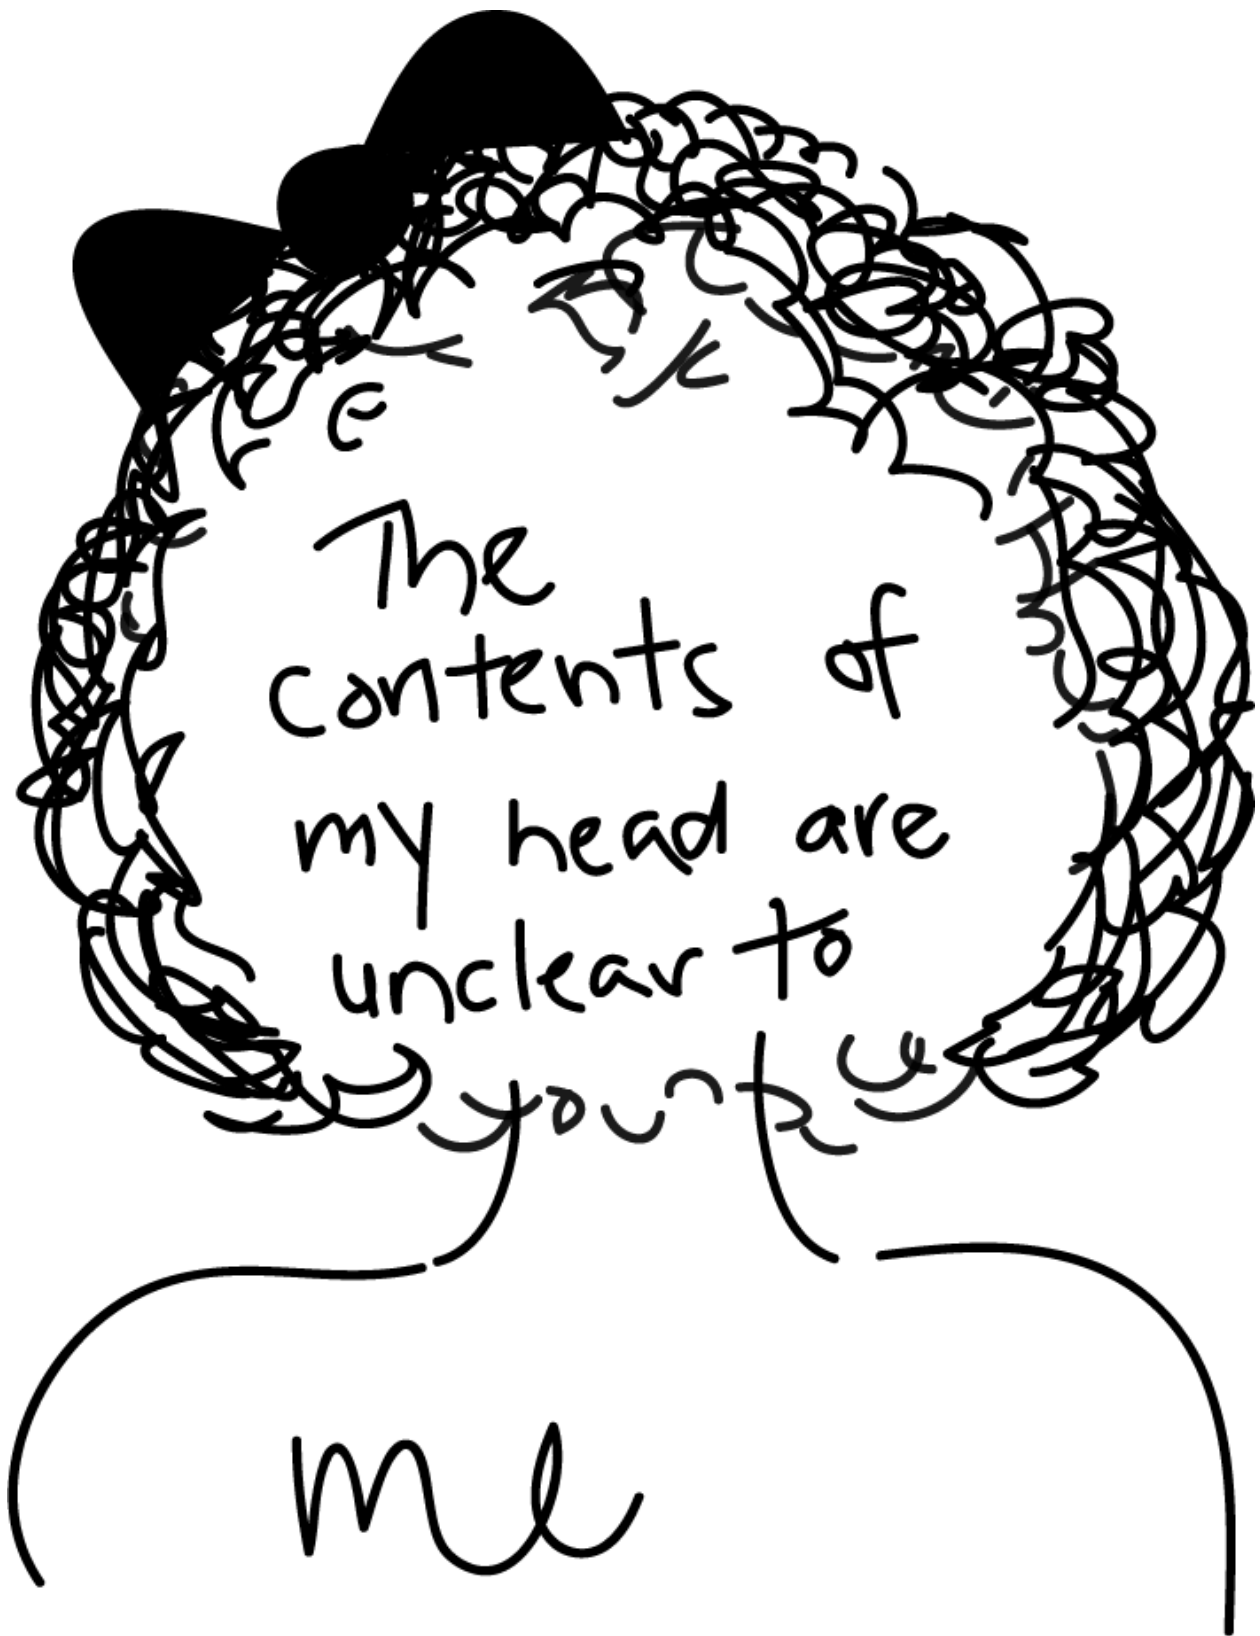

me

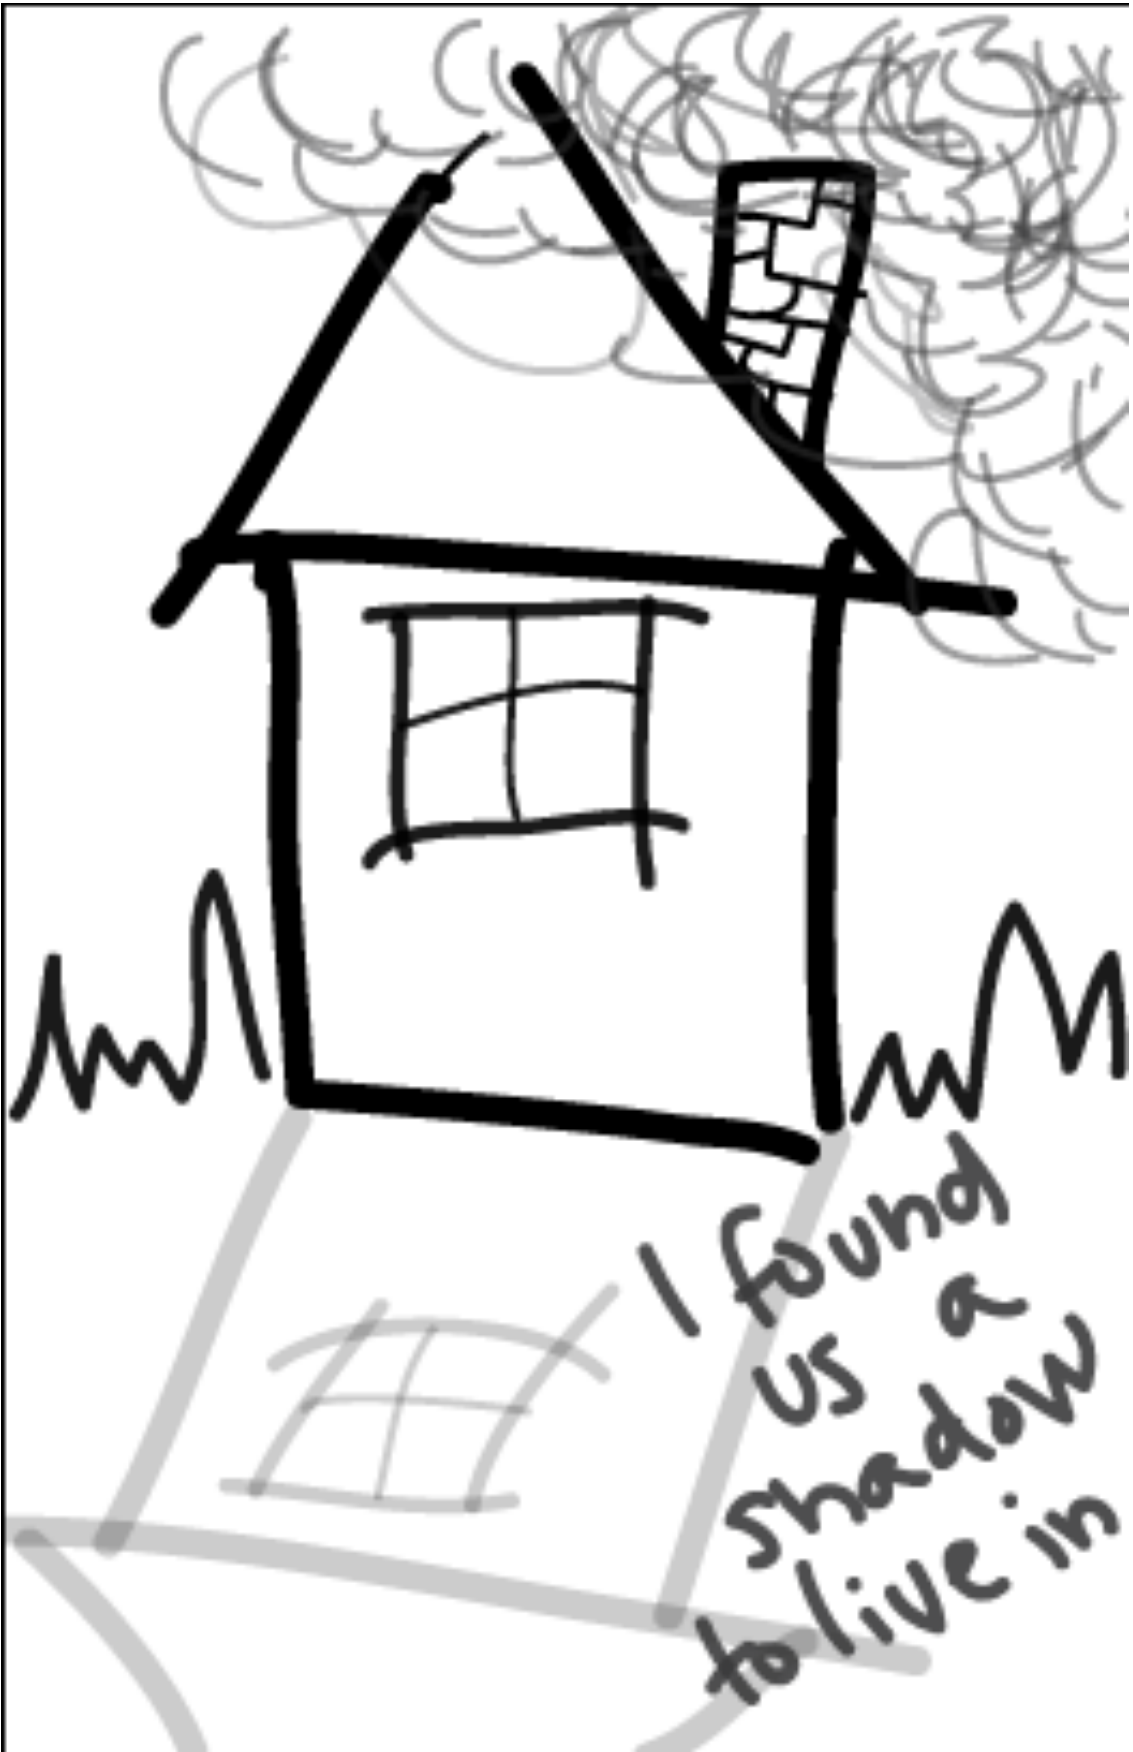

I don't know
if I'm even

here

Don't Struggle
too much

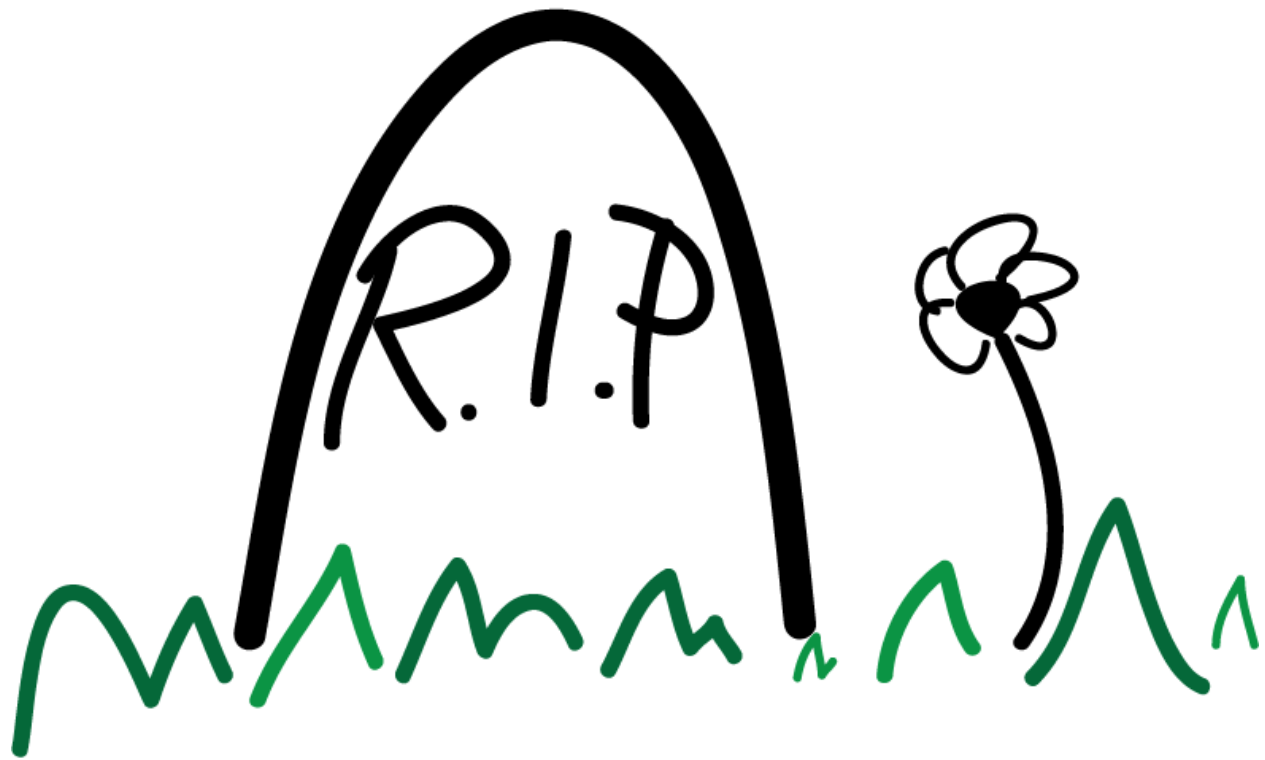

~~Nothing~~

is ~~for~~

~~Keeps~~

I keep waiting

on my
self-hate to
draw its last
Breath

Smiles these things
are conditional

I'm
still
looking
for
my

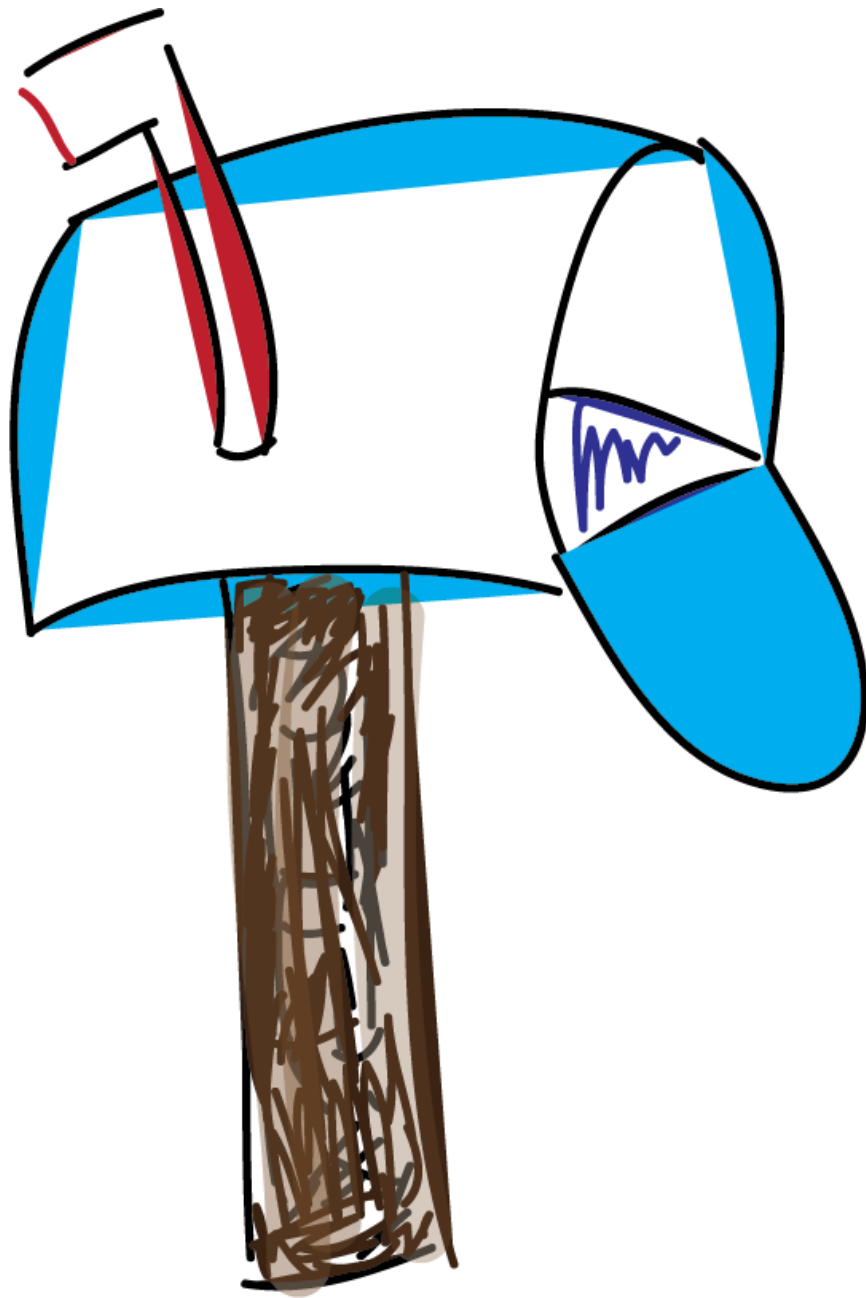

Supposed
to

hearts don't
look like
this

I'll send you love
when we deserve
it

I Keep becoming

other
people's
Band-
aid

I spend
most of
my time
trying
to

forget
that
I live
in
my
body

It It

doesn't

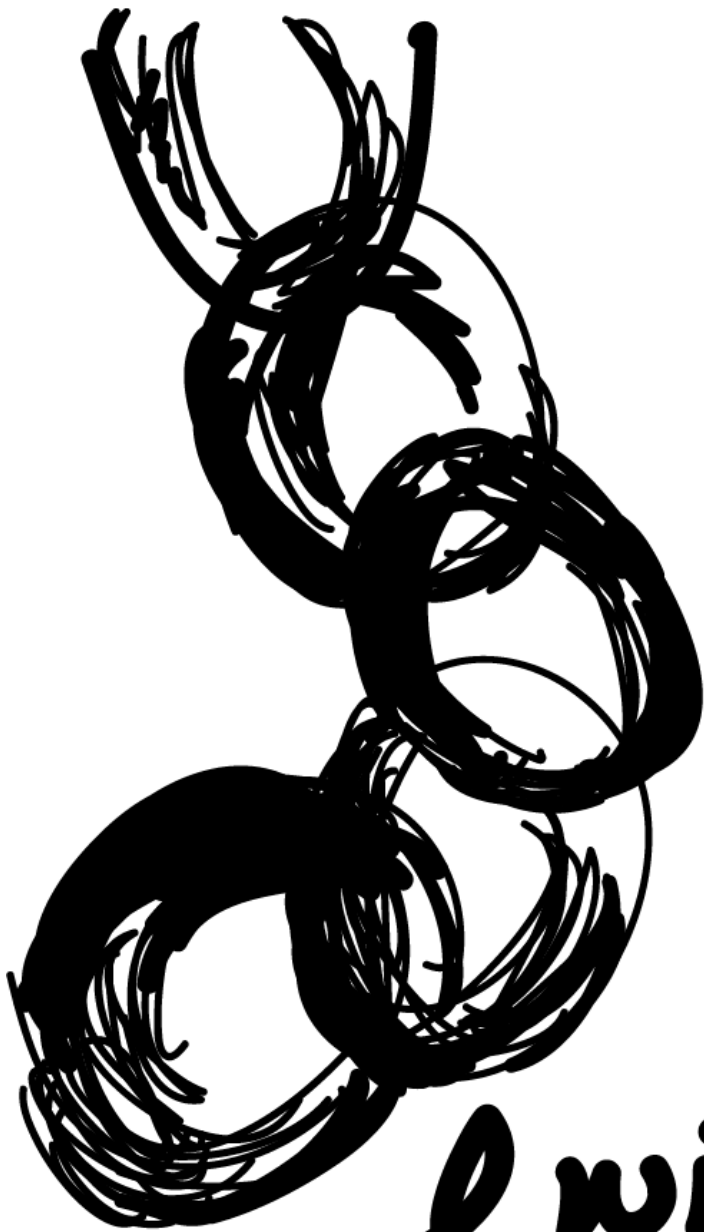

dissapear

just because

you say it

isn't

there

I wish
I knew how
it felt to be
free

God Bless
the ones
who prayed
for
tomorrow

People shouldn't
collect people.

these are the
pieces of
me you
forgot to
take

I'm

SORRY I

told you

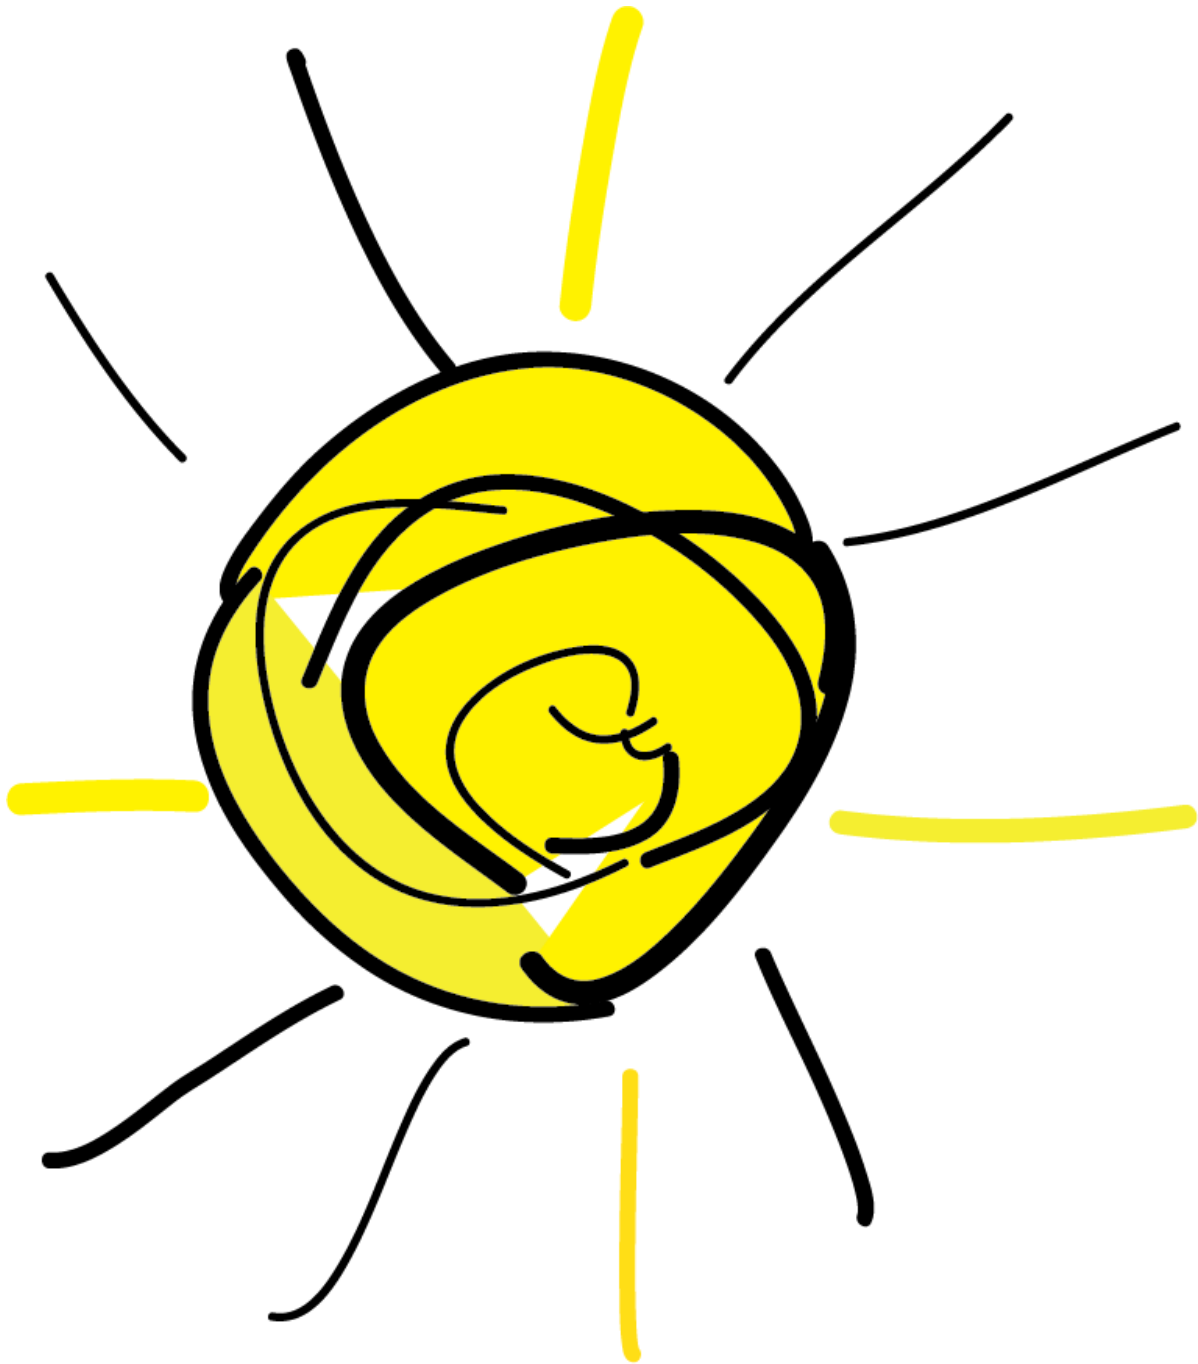

lies

most
of the
time
anyway

I am
quite
limited
to be
honest

honesty
is
quite
limited
to be
honest

the sun is an
ugly constant
thing

Anytime
you say

"Actually"

before anything

means

the following

words

are a lie.

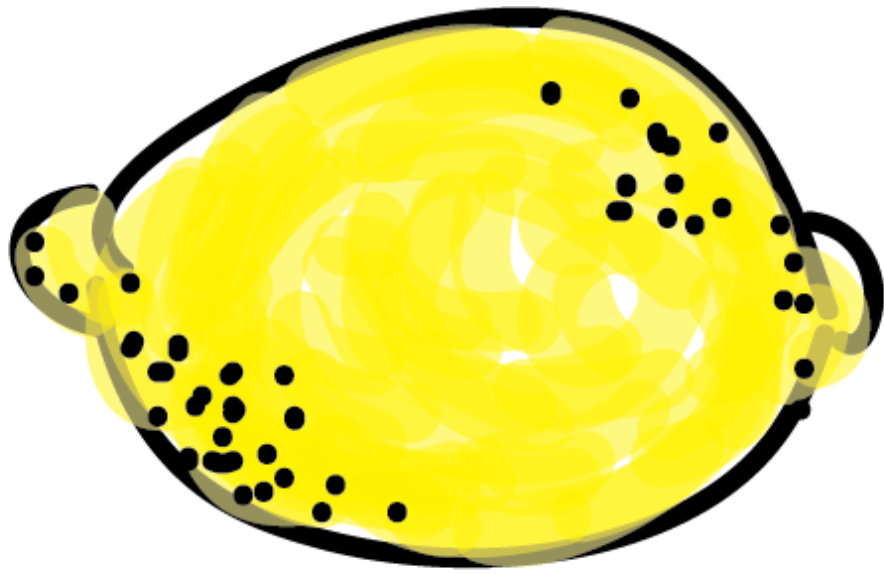

in this box
i keep all
the lies i
told you

I'll
Be
the
Hammer

the
nail

im not as
bitter as i
pretend to be

l

Couldn't

have

that

OR you

All around
me I can

FEEL

the

Environment

I just recently learned
the difference
between

anger
and
hurt.

your
love
makes
me
feel
tall

I'm looking for one
thing worth living
for everyday
so it'll be harder
to leave

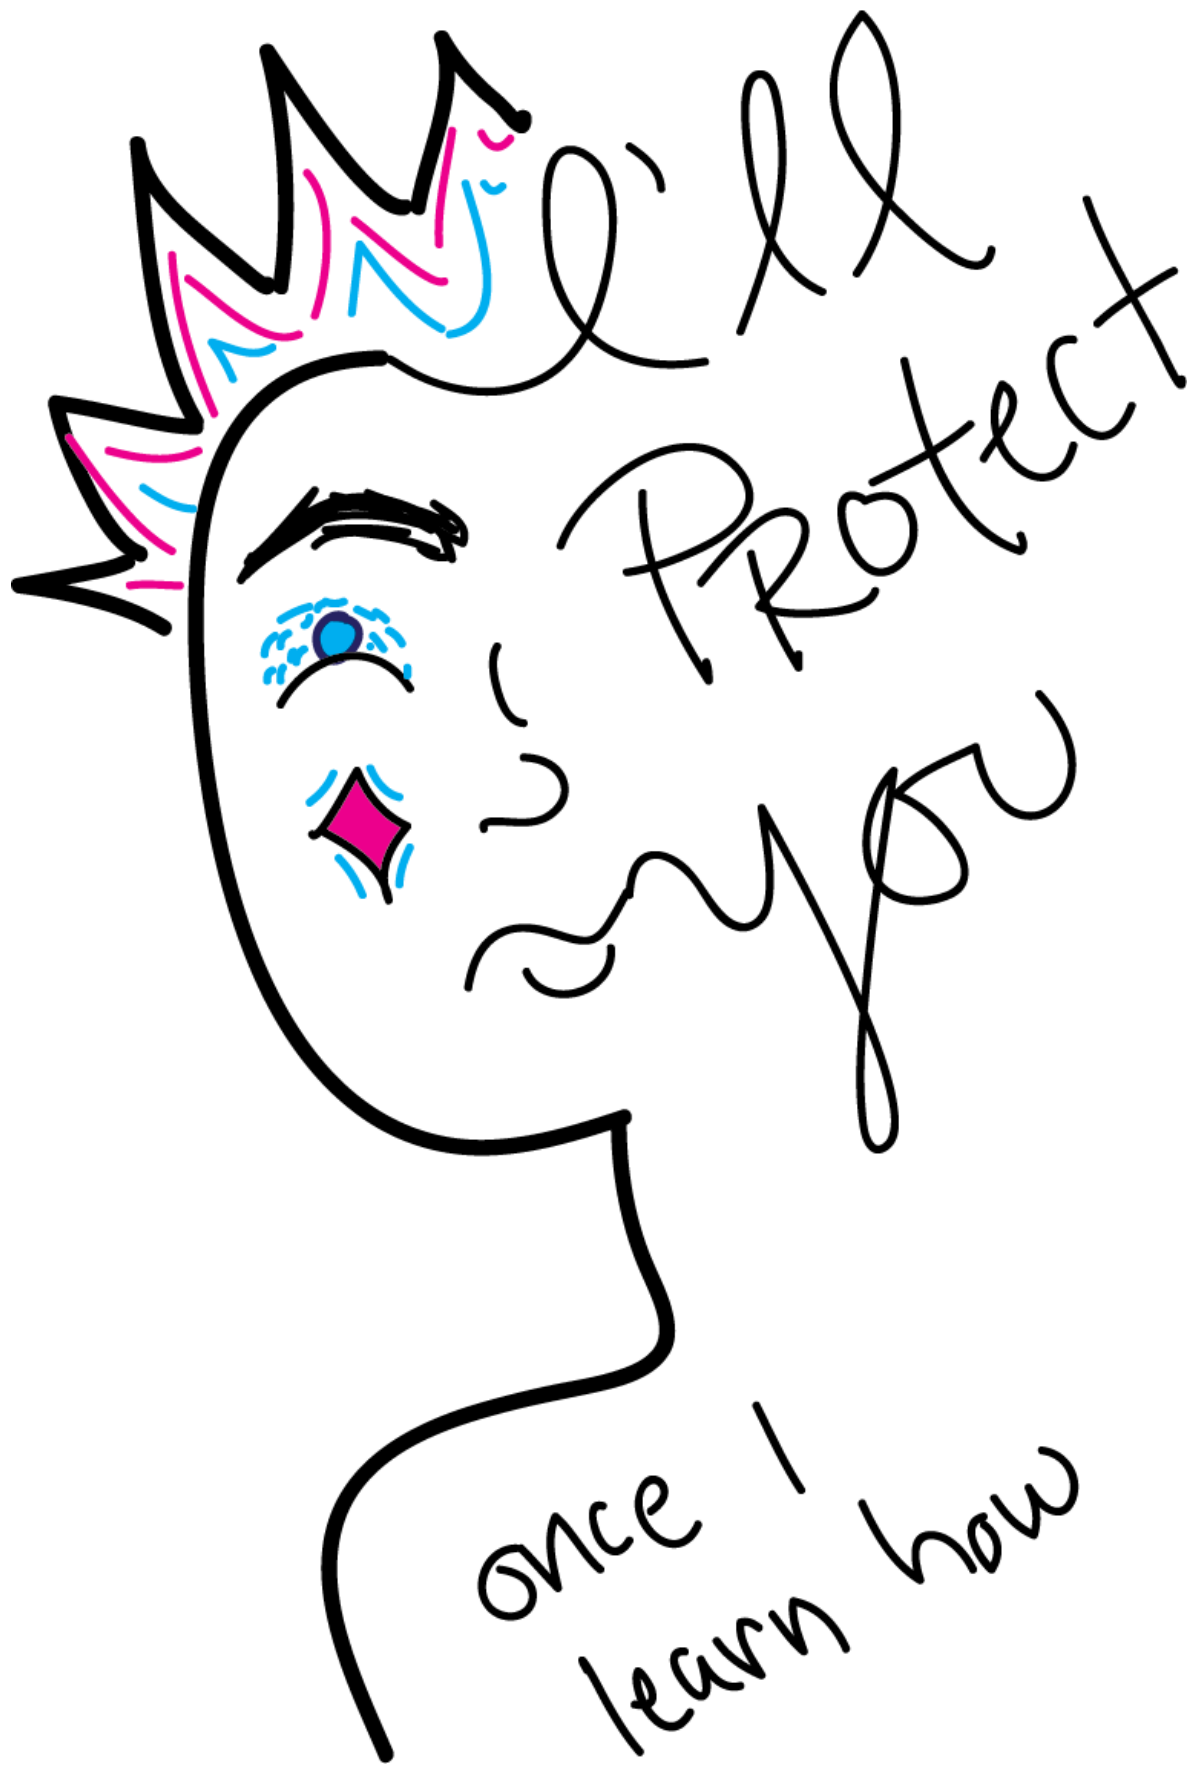

Every time

I close

my Eyes

I hate

us less

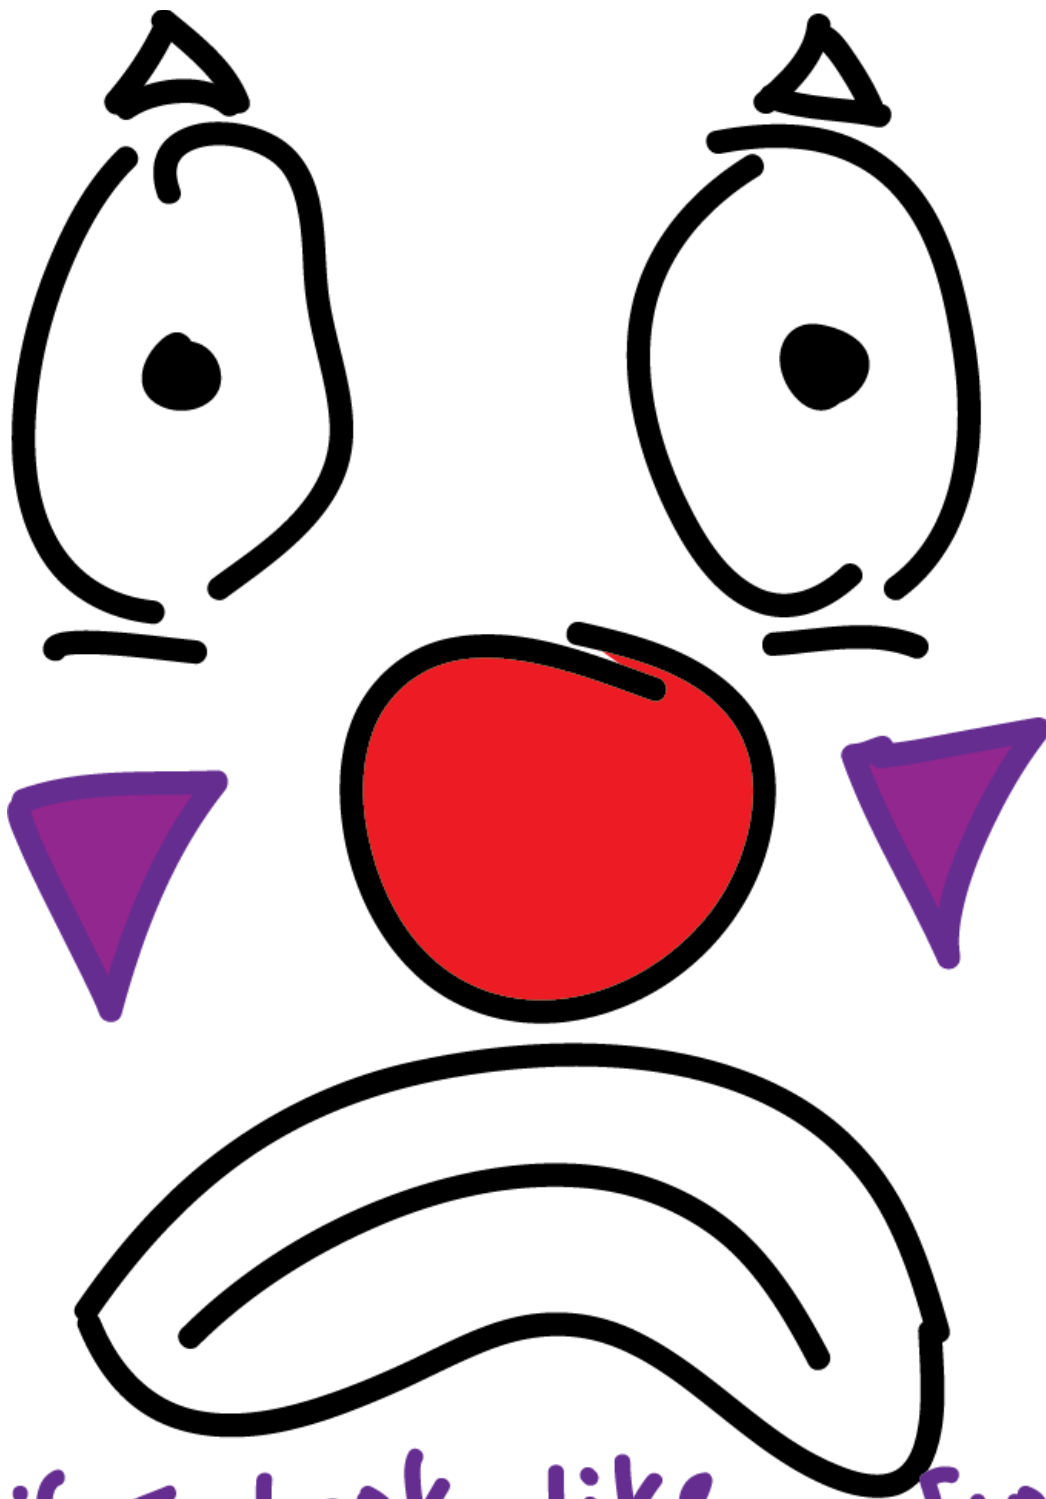

I keep
turning
up
empty

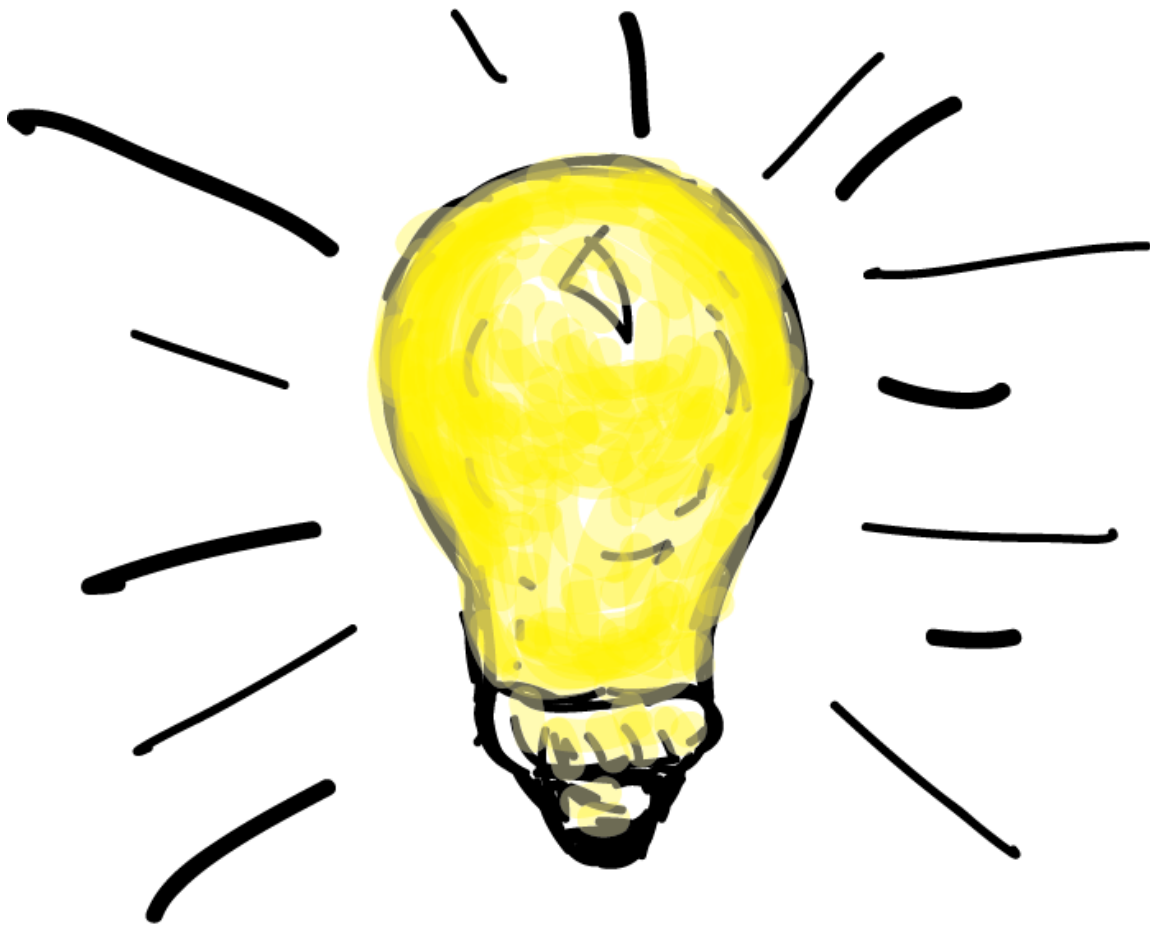

I hope
I find
you

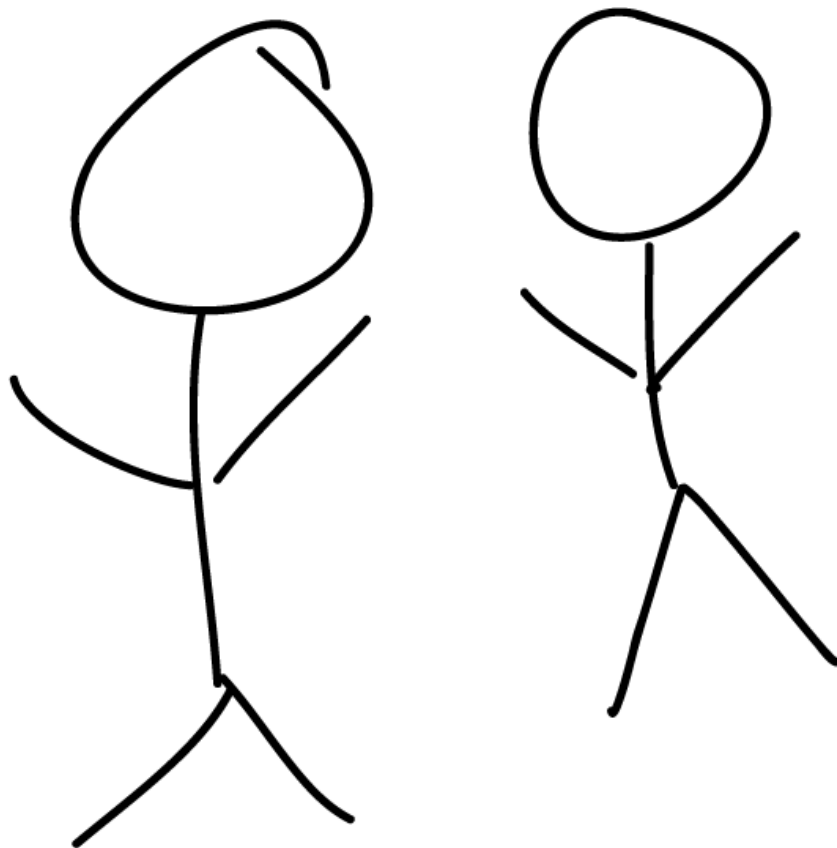

I called
you to
say I'll
see you
later but
we both
know
I meant
goodbye

if I Look like a fool
it is your fault

I'm in love
with the idea
of you

there's just
enough of us
to love each
other

look me
in the
eye

LOVE IS

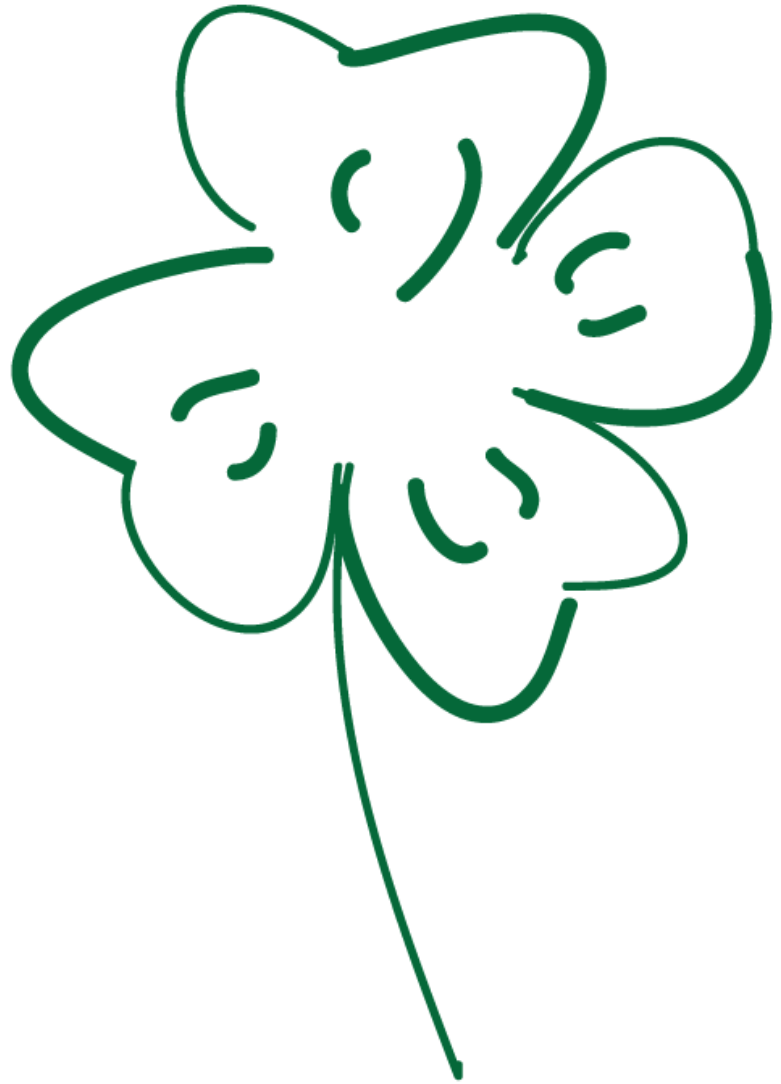

JUST

FORGIVENESS

When Reality

Steps in

Luck is so

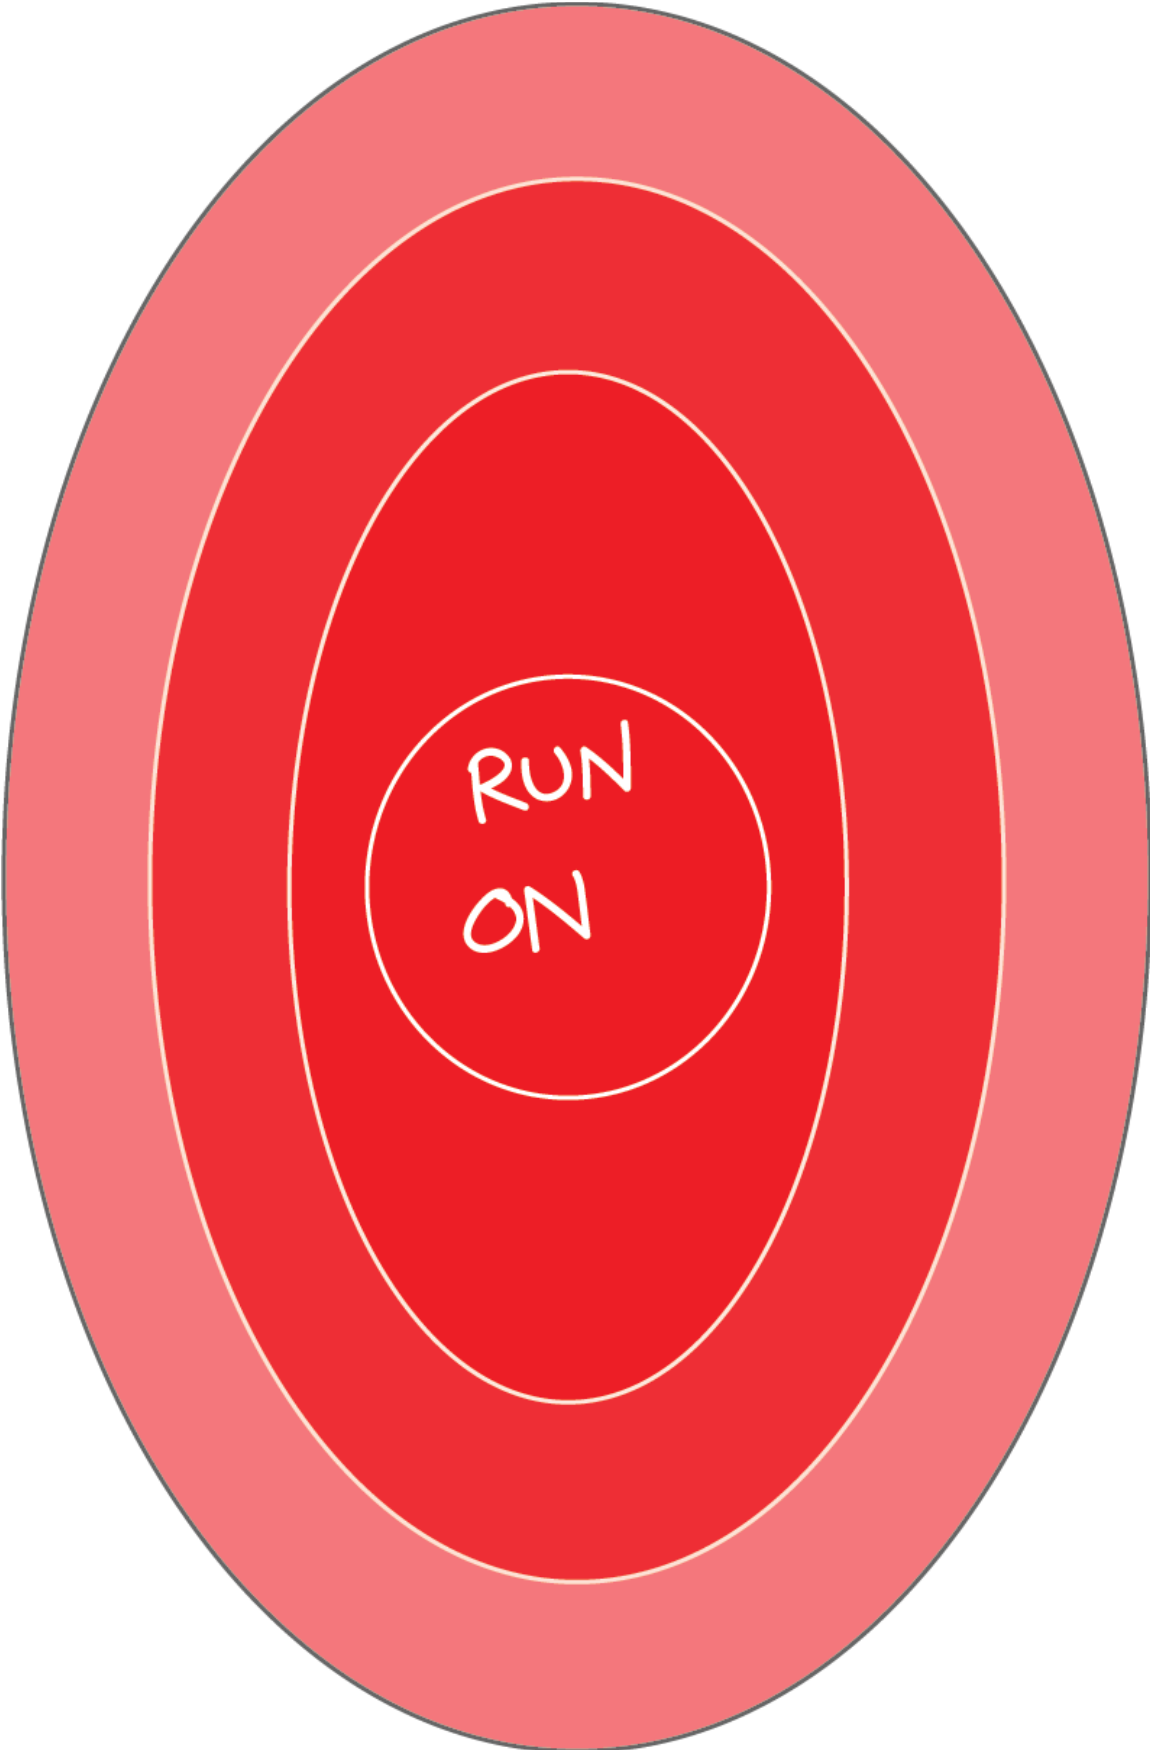

Biased

Keep
making
tracks

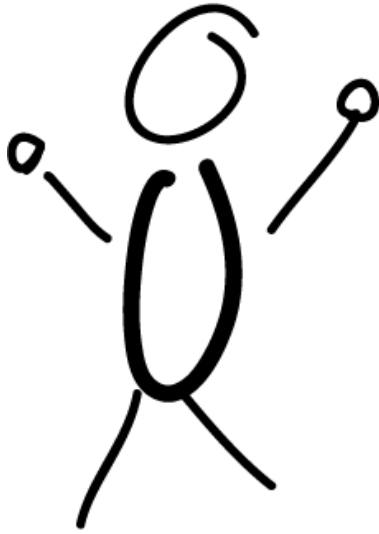

SORRY
We're Closed

and I won't
be staying
late

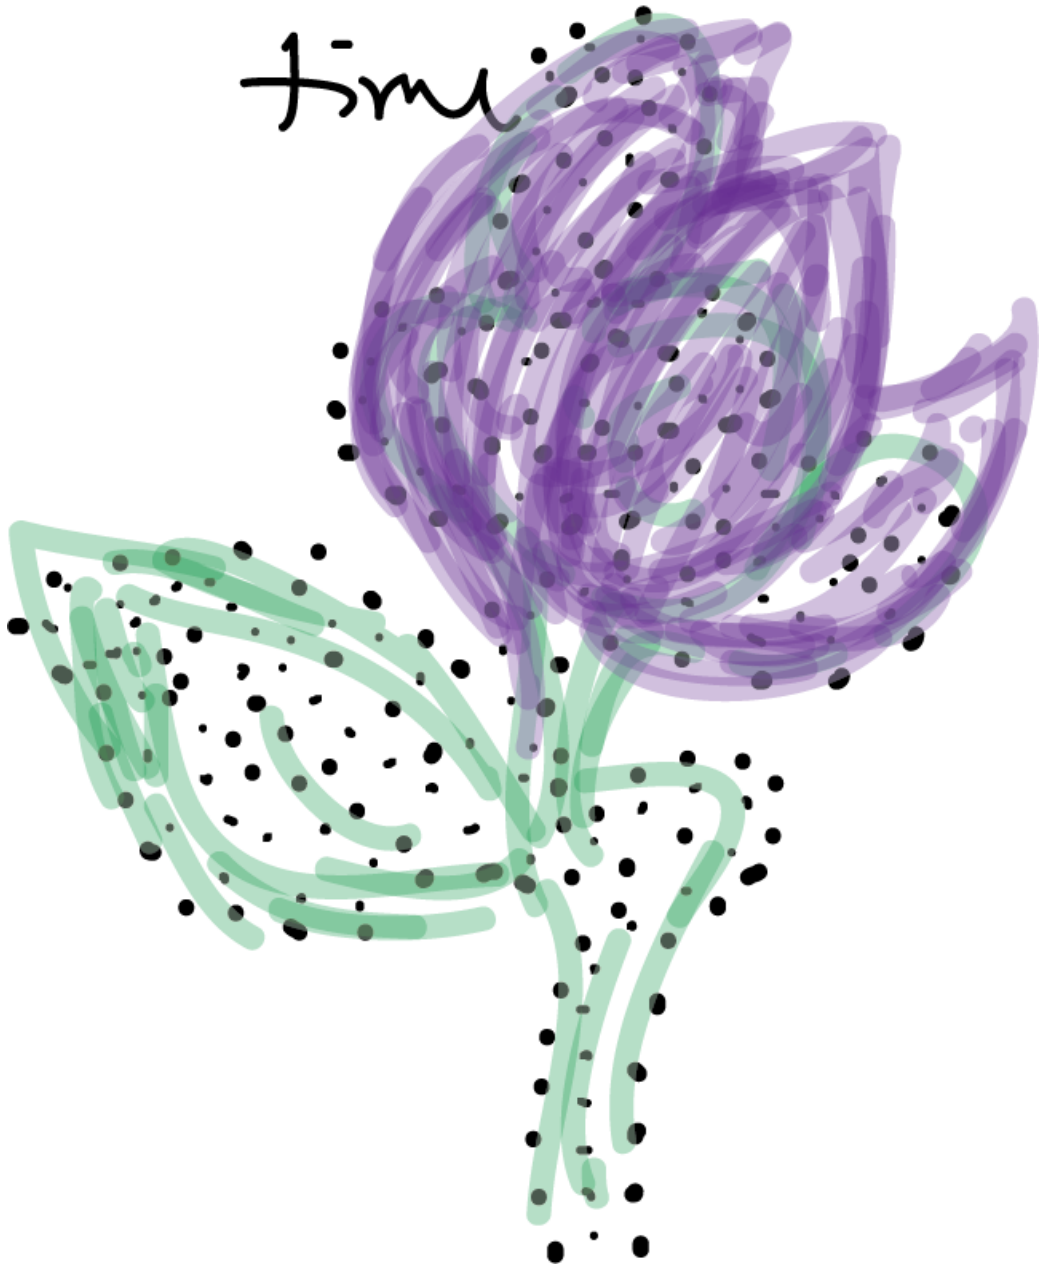

I Dare
you
to stand
up and
be
counted

the stars
are aligned
and I'm
still
confused

I'm just
wasting my
time.

We have
to be
taught
how to
let go

We do what
WORKS until
it doesn't

then we
try to

move on

have some
water it'll
help wash down
the bitterness

in honor of all
the yesterdays

Something
about

you and I

seems

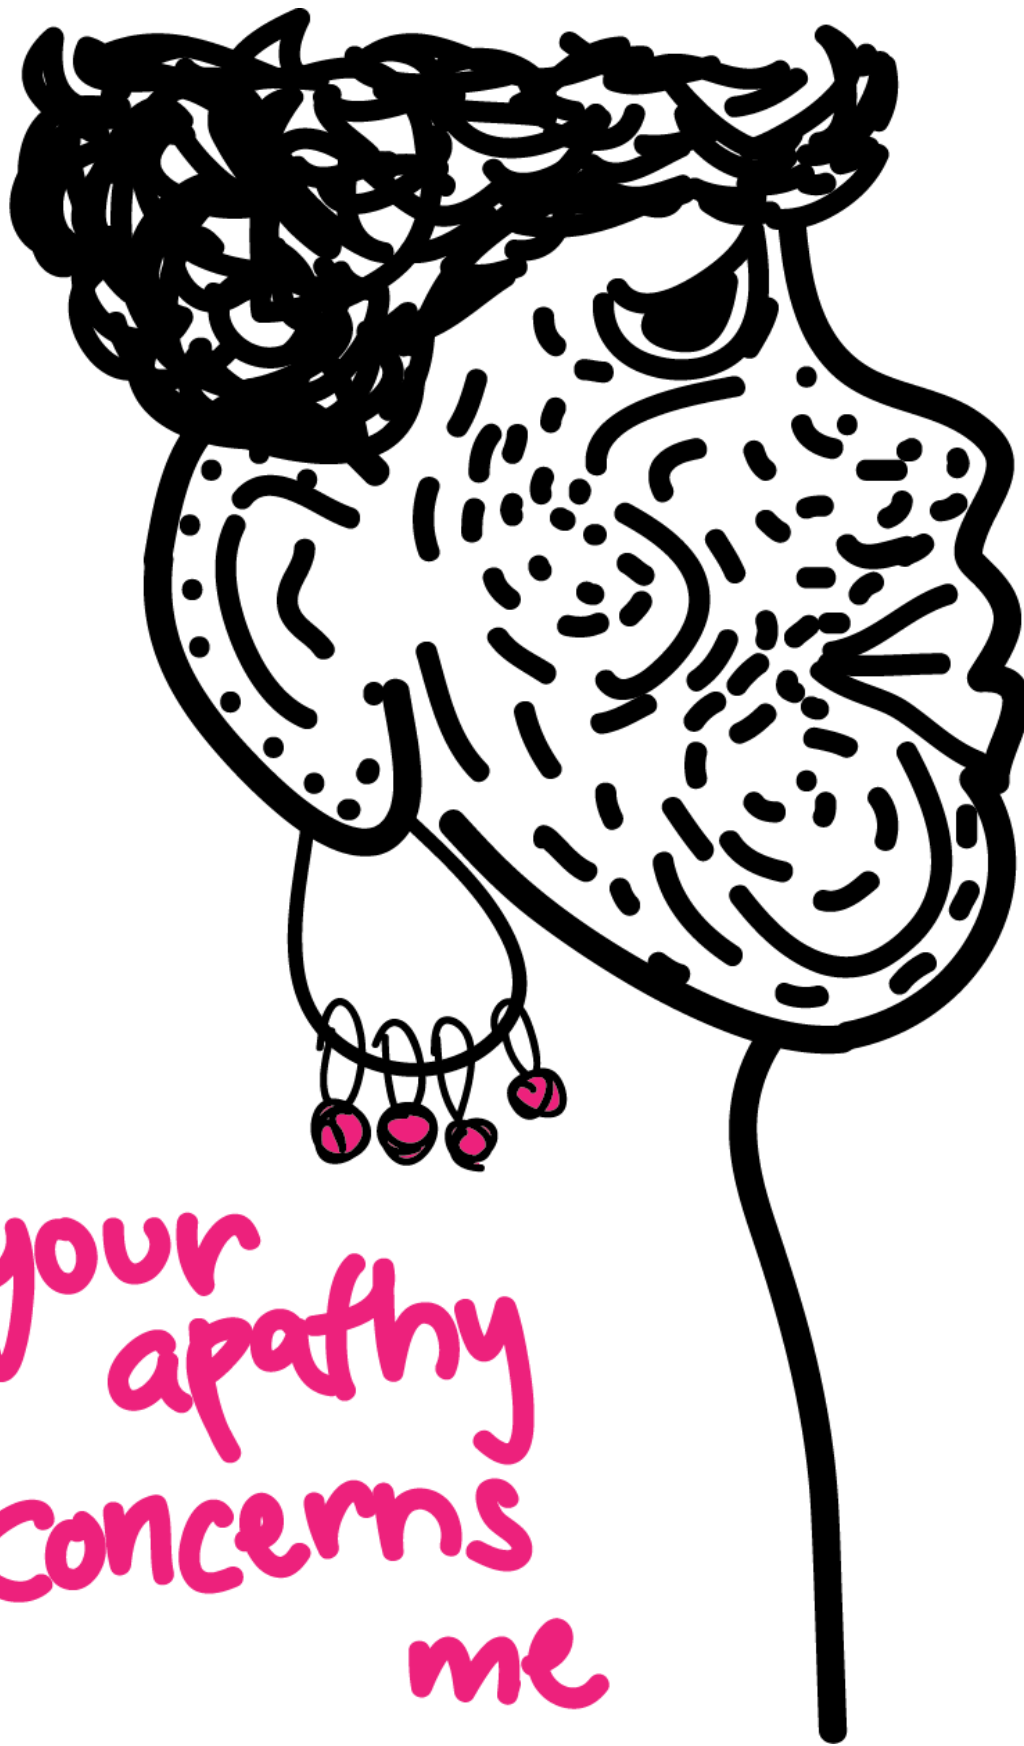

pointless

you'll

Be

Okay

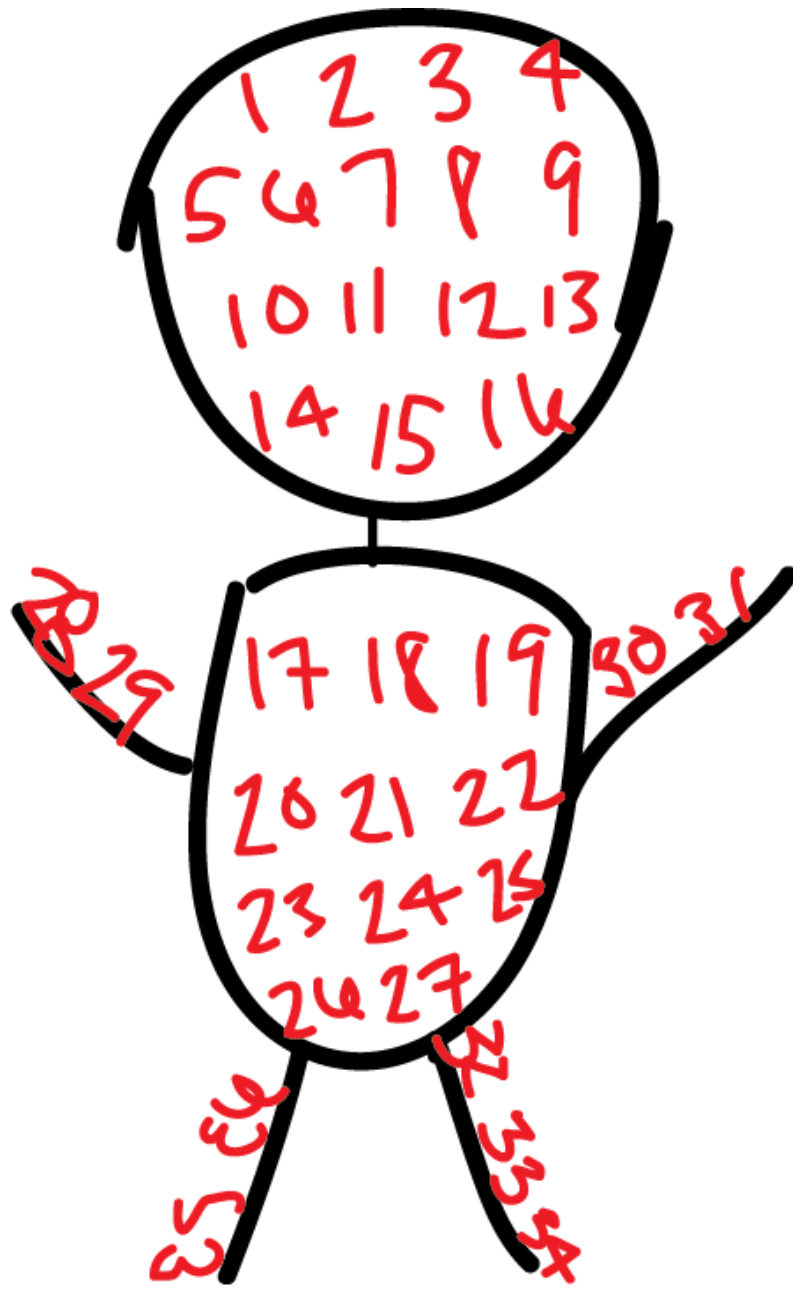

but I can't
make any
Promises

your
apathy
concerns
me

Bake me a
cake when
I Die Let's Party!

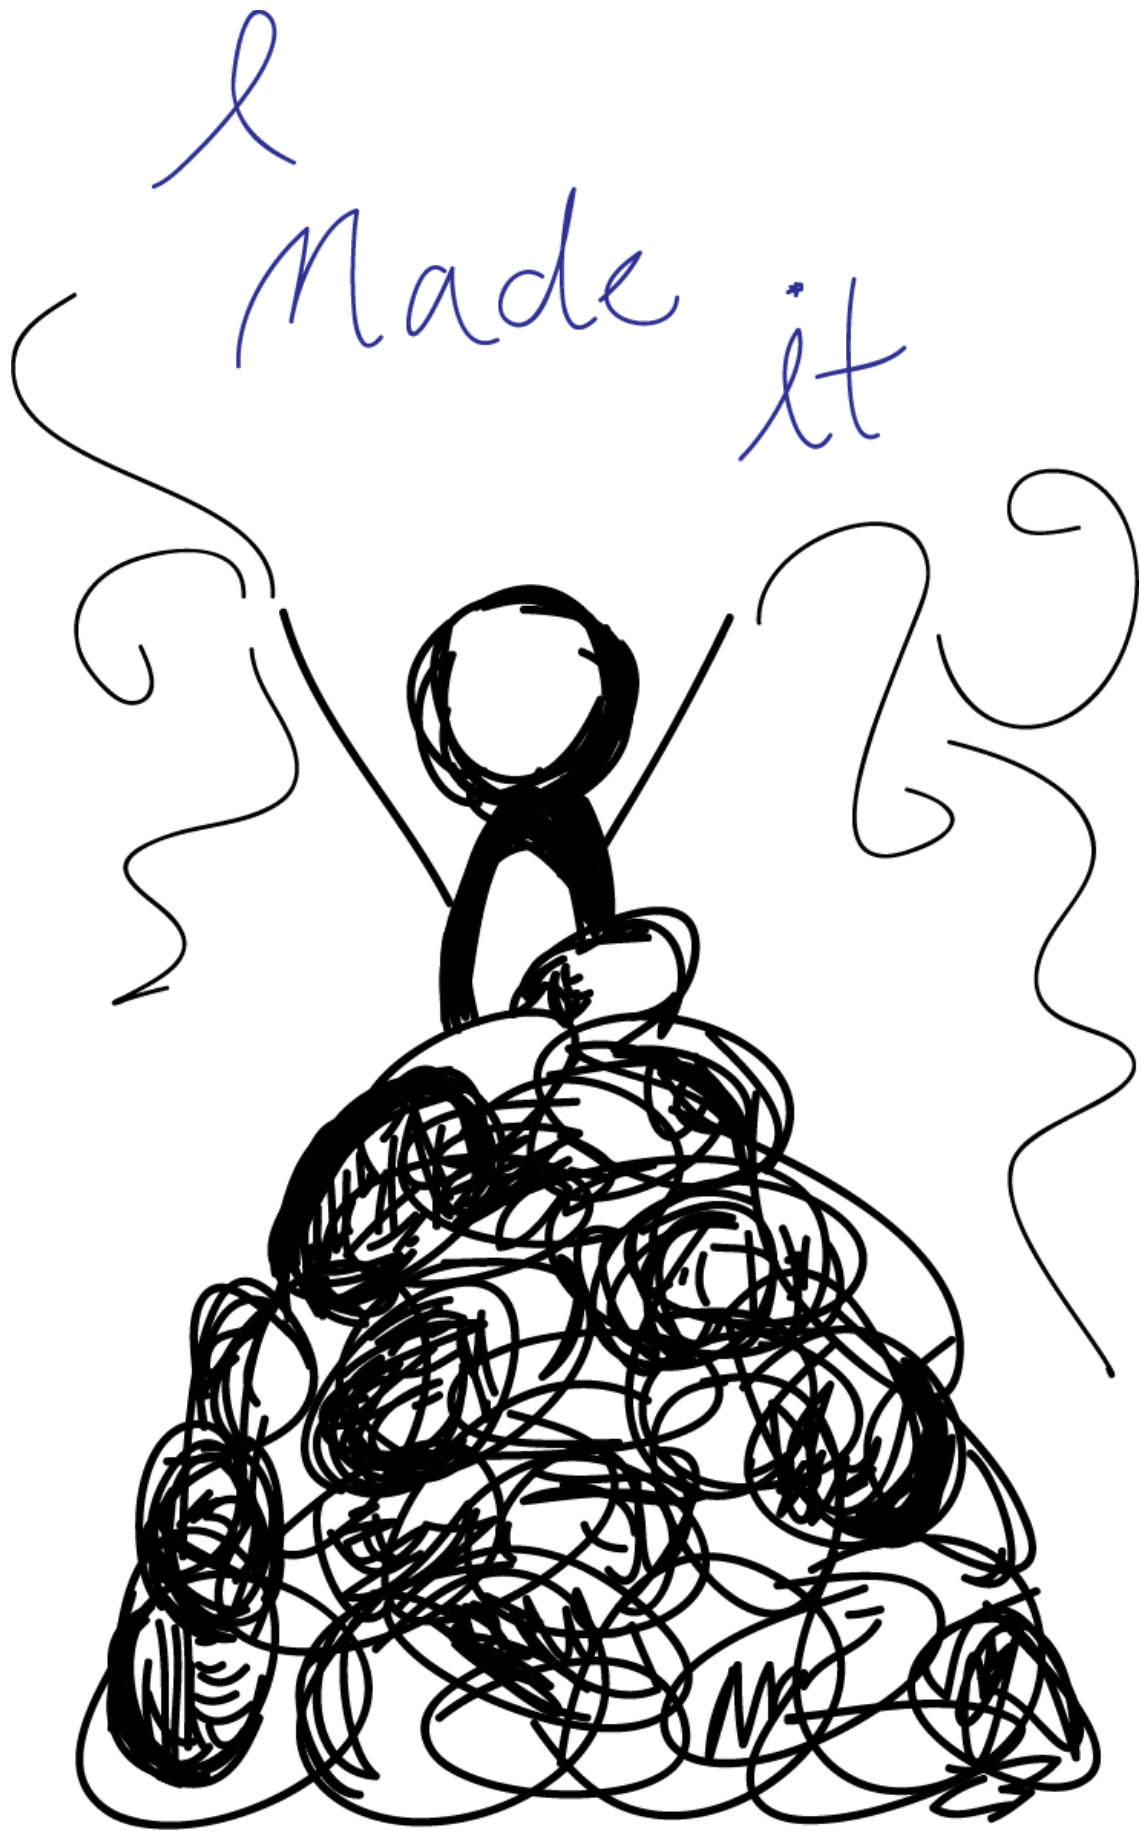

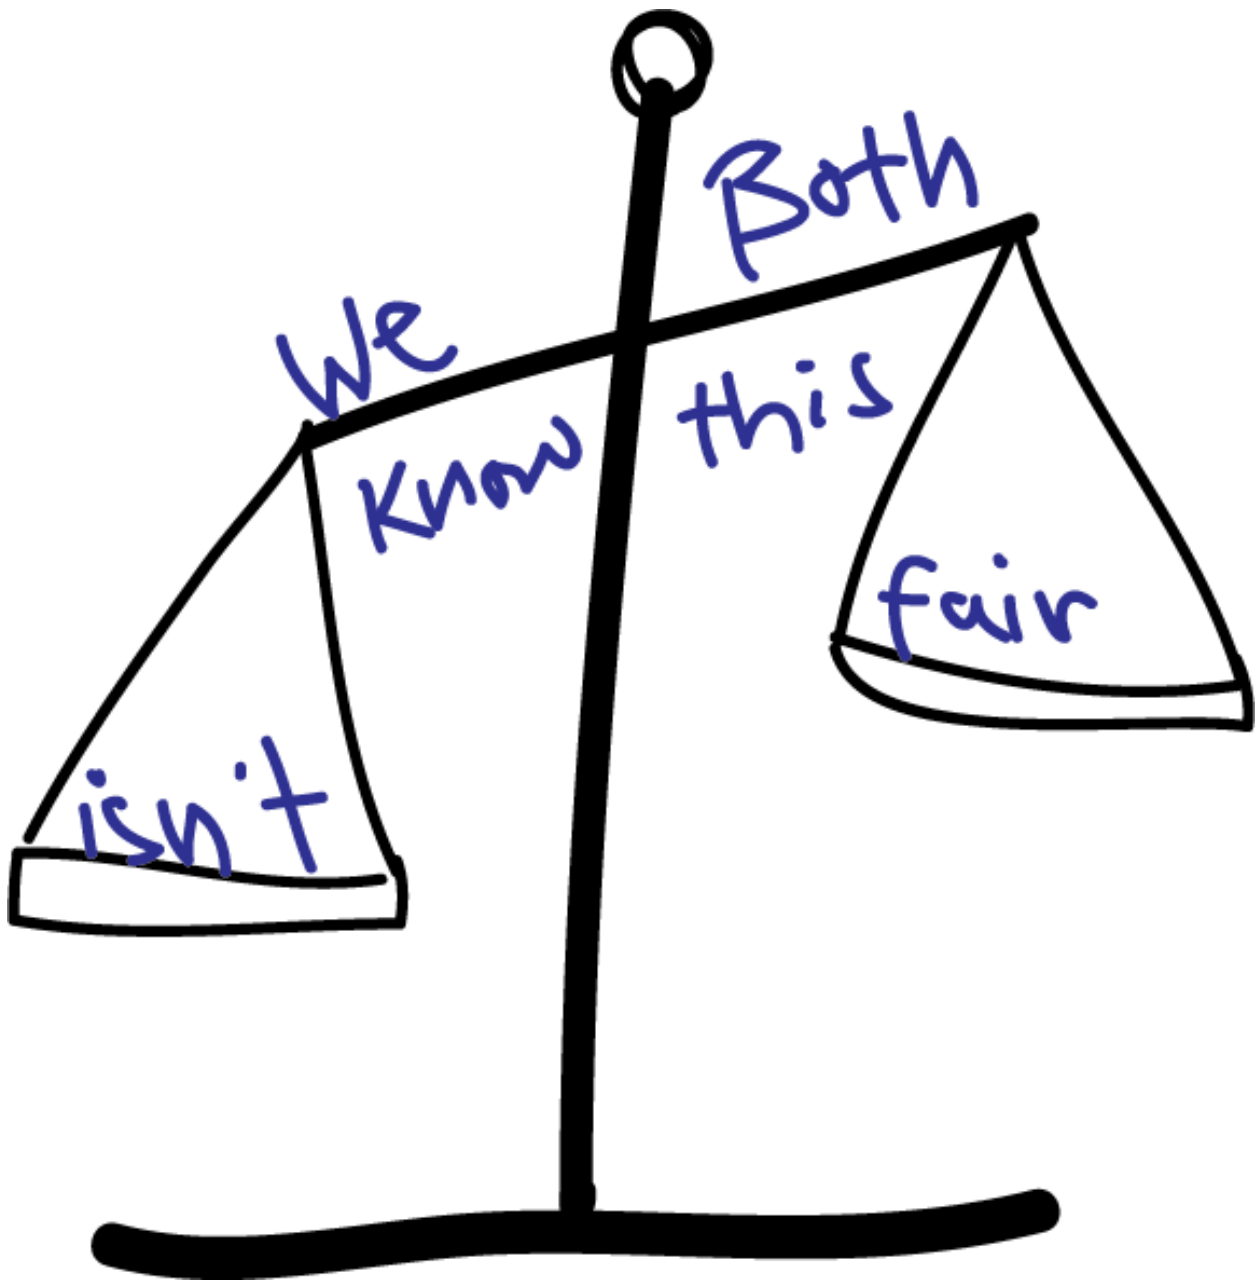

you can count
on me

Don't
be so
Cocky
I see you

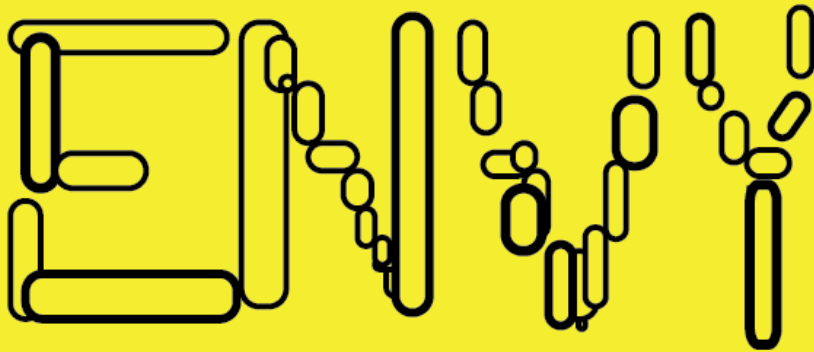

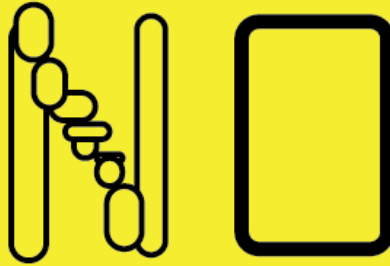

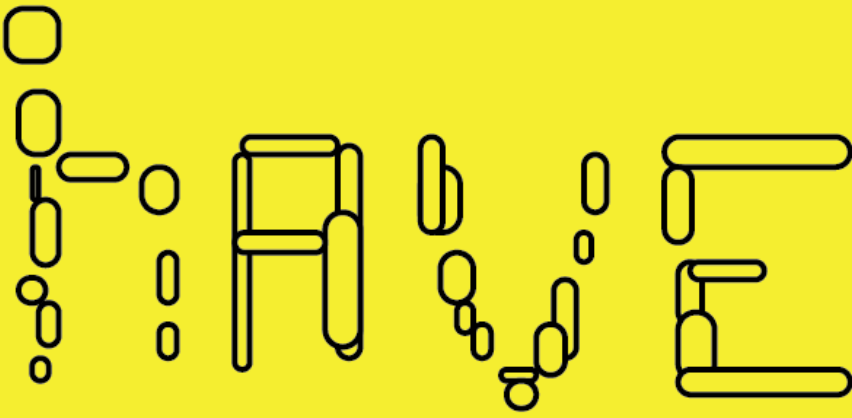

I Wish

my

memory

was

MUDDY

My Hands
are

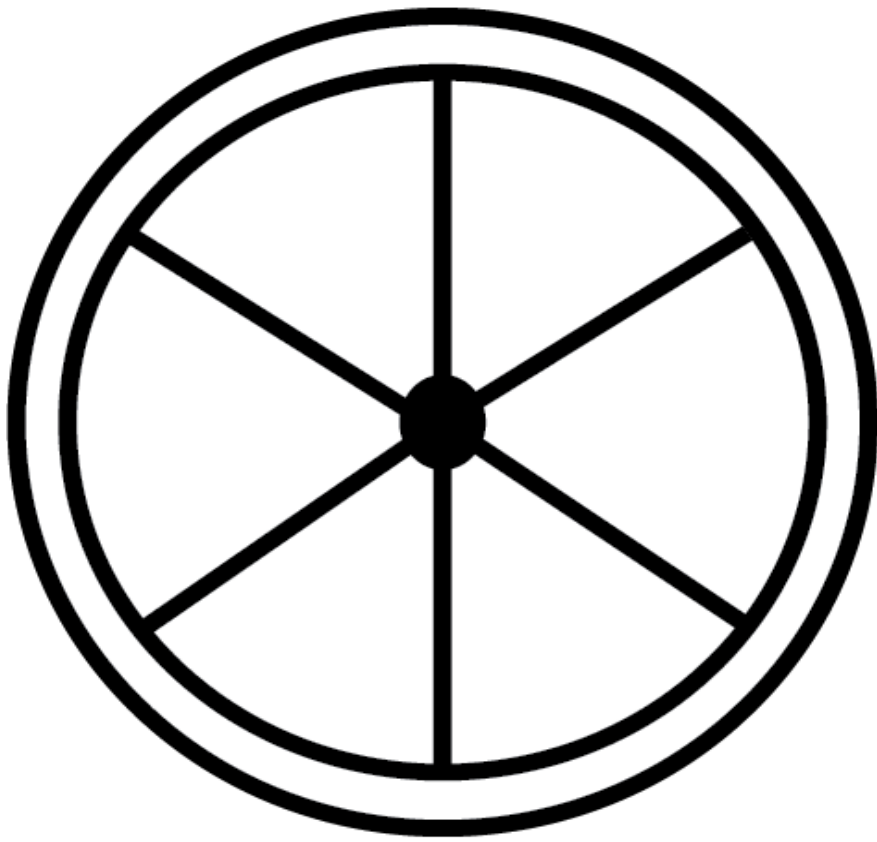

Empty

I PROMISE

I'll give
you a penny
to keep your
thoughts to yourself

one day
being sick
and tired
won't be
an option

↑
this is a wheel
and there is
no point

I JUST
Wanted
to say

Hi

BE ANGRY

FOR THE

RIGHT

REASONS

it's passion
humbled

BEST
OF BOTH
WORLDS

I hope you are
being challenged

I find

you

Stunning

I need
your time
cause

mine is

Running 

I'm living in
the in-between

You'll
Never
Be Nothing

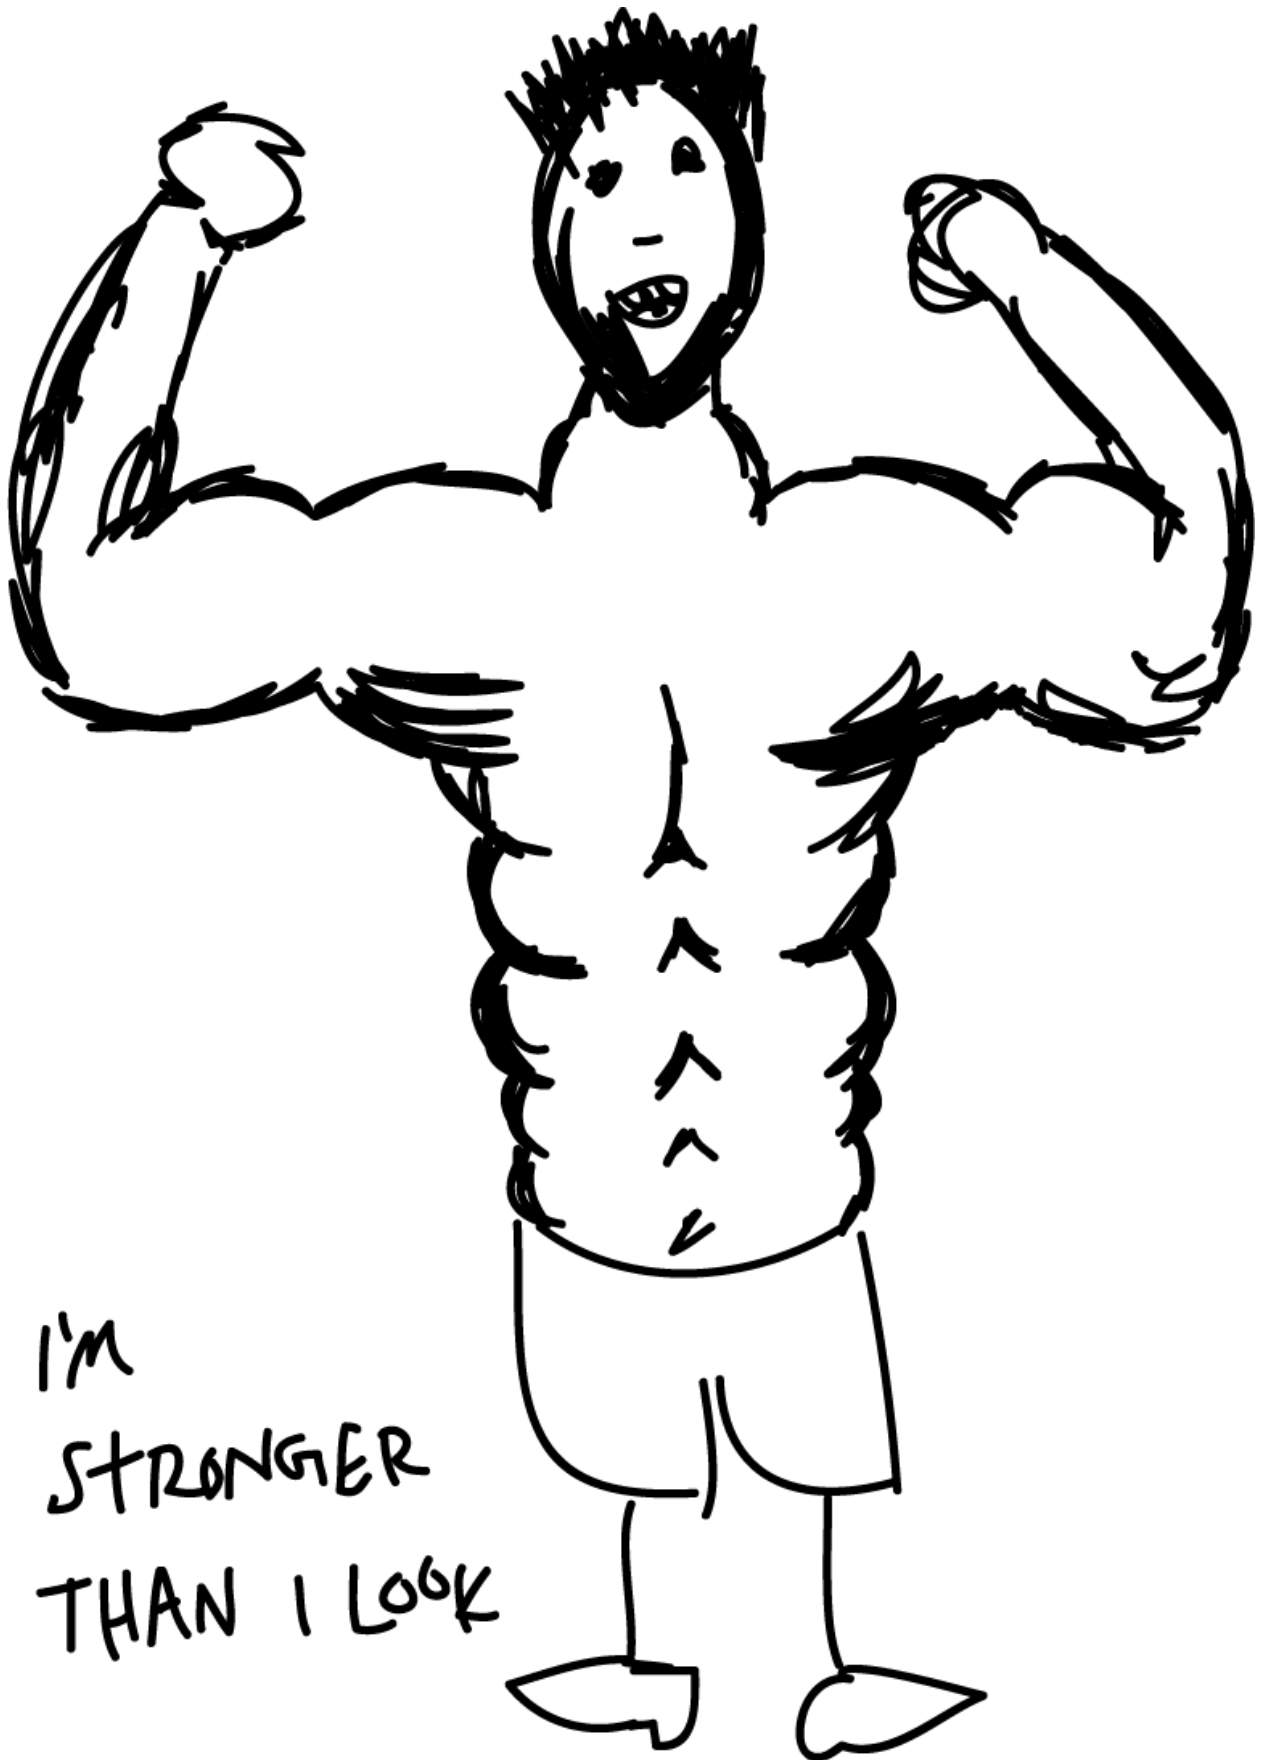

my life

is on

display we

all know I'm

a mess 

CONCERNS

I see
Something
in you

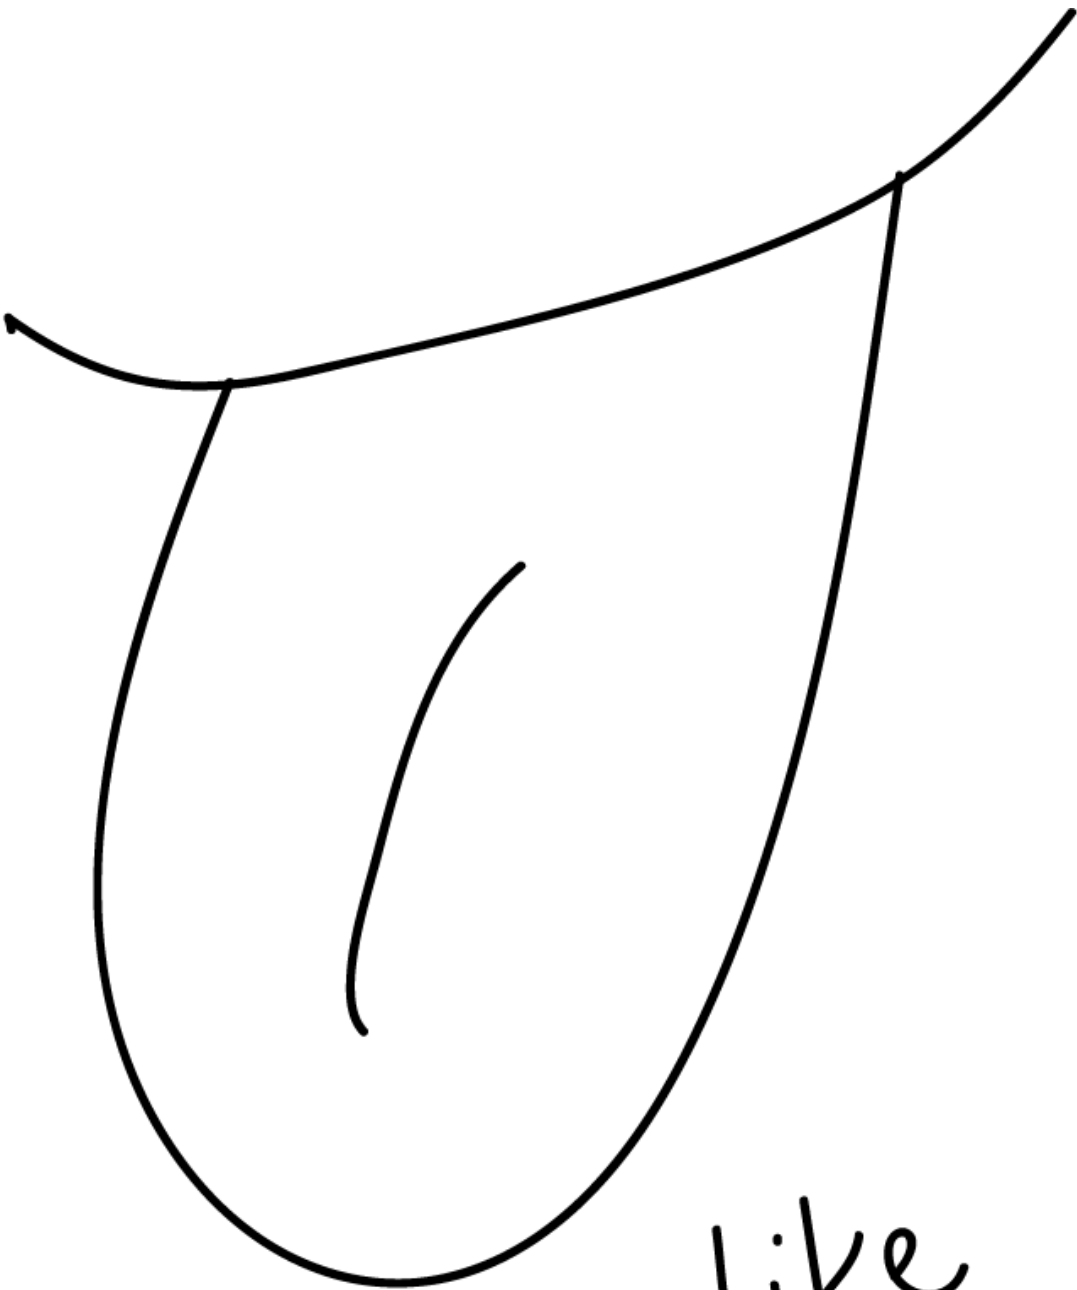

this life is
Stronger
than
expected

I'm still
getting wet

I keep
stumbling
like this

you taste like
regret

I have
separation

anxiety

I'VE
GOT

~~NOTHING~~

to **Lost**

Moving
Way too Fast

I'm trying
to stay lowkey

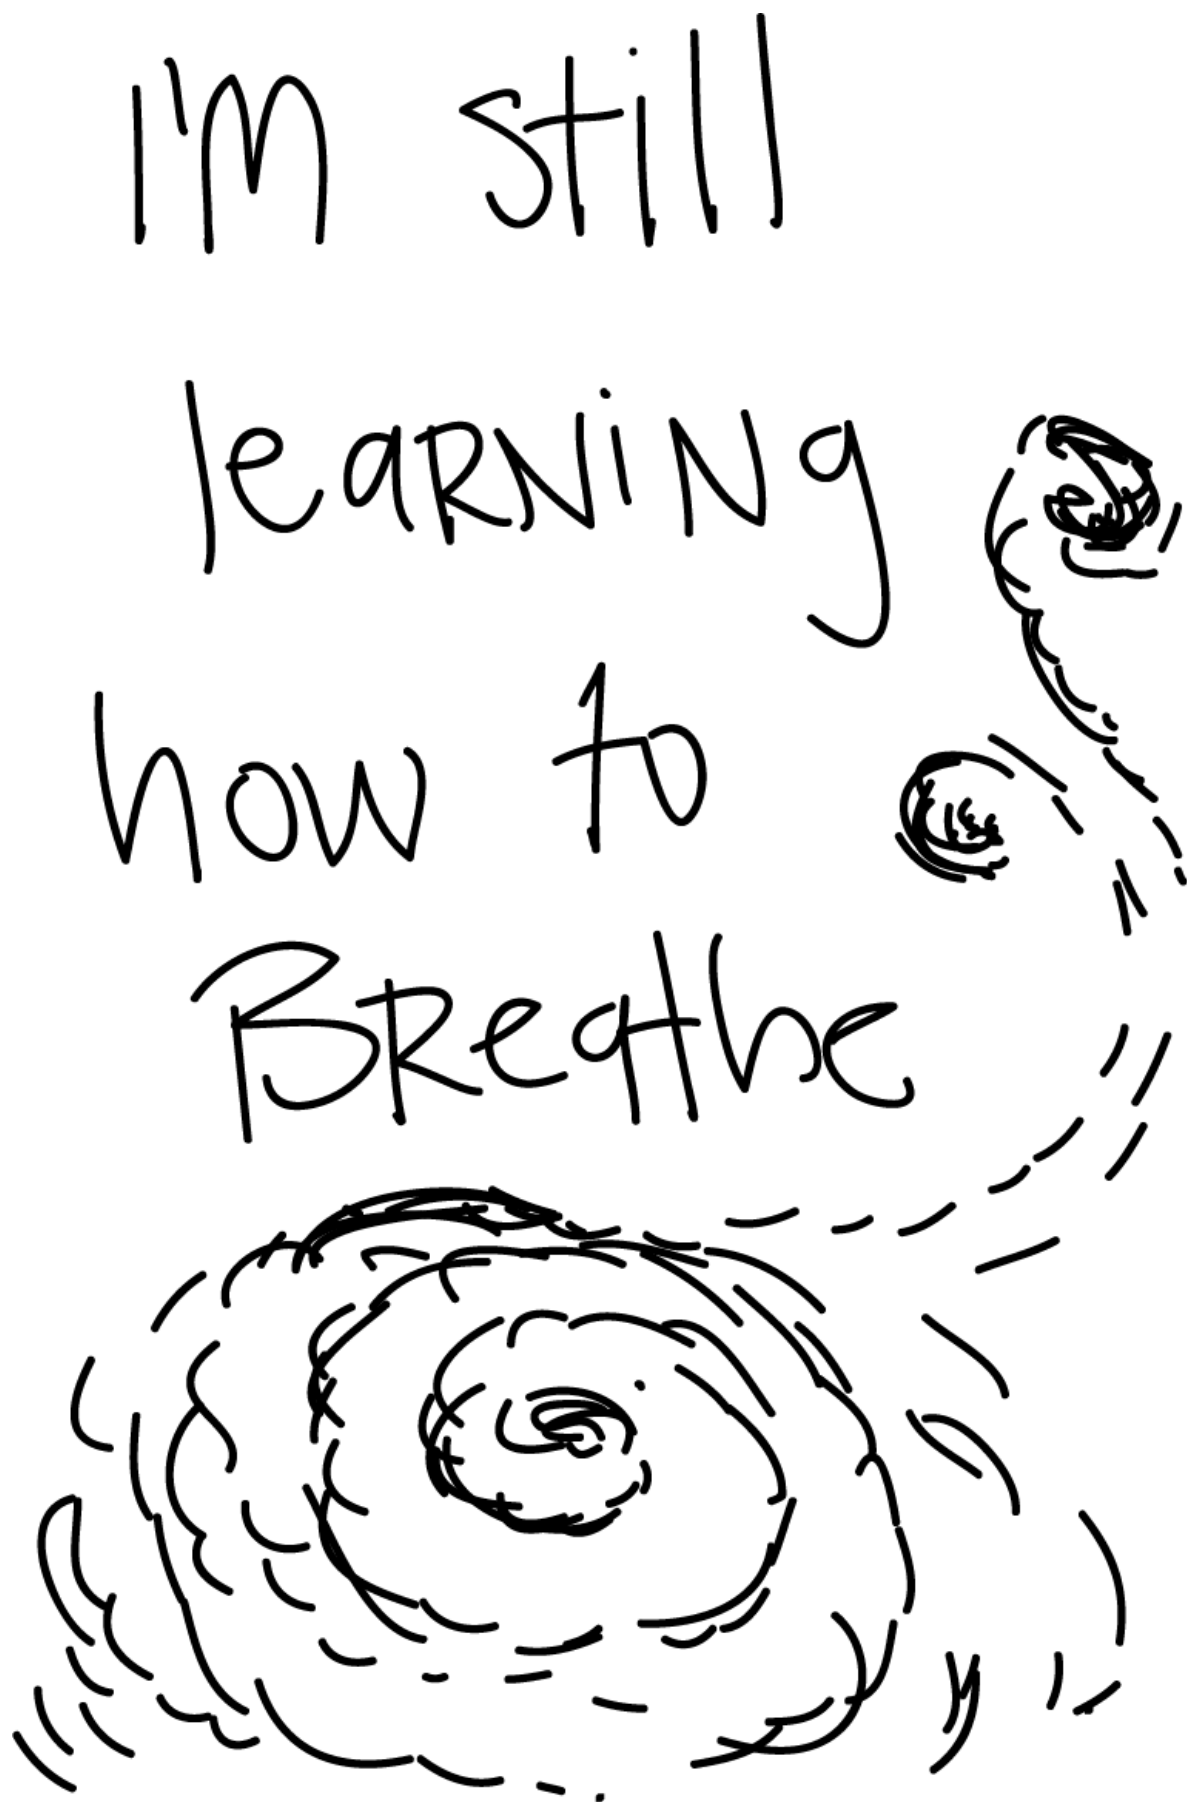

I'm a little
broken Right now

I Should
have kept
my mouth
closed

I'M still
learning
how to
Breathe

I find

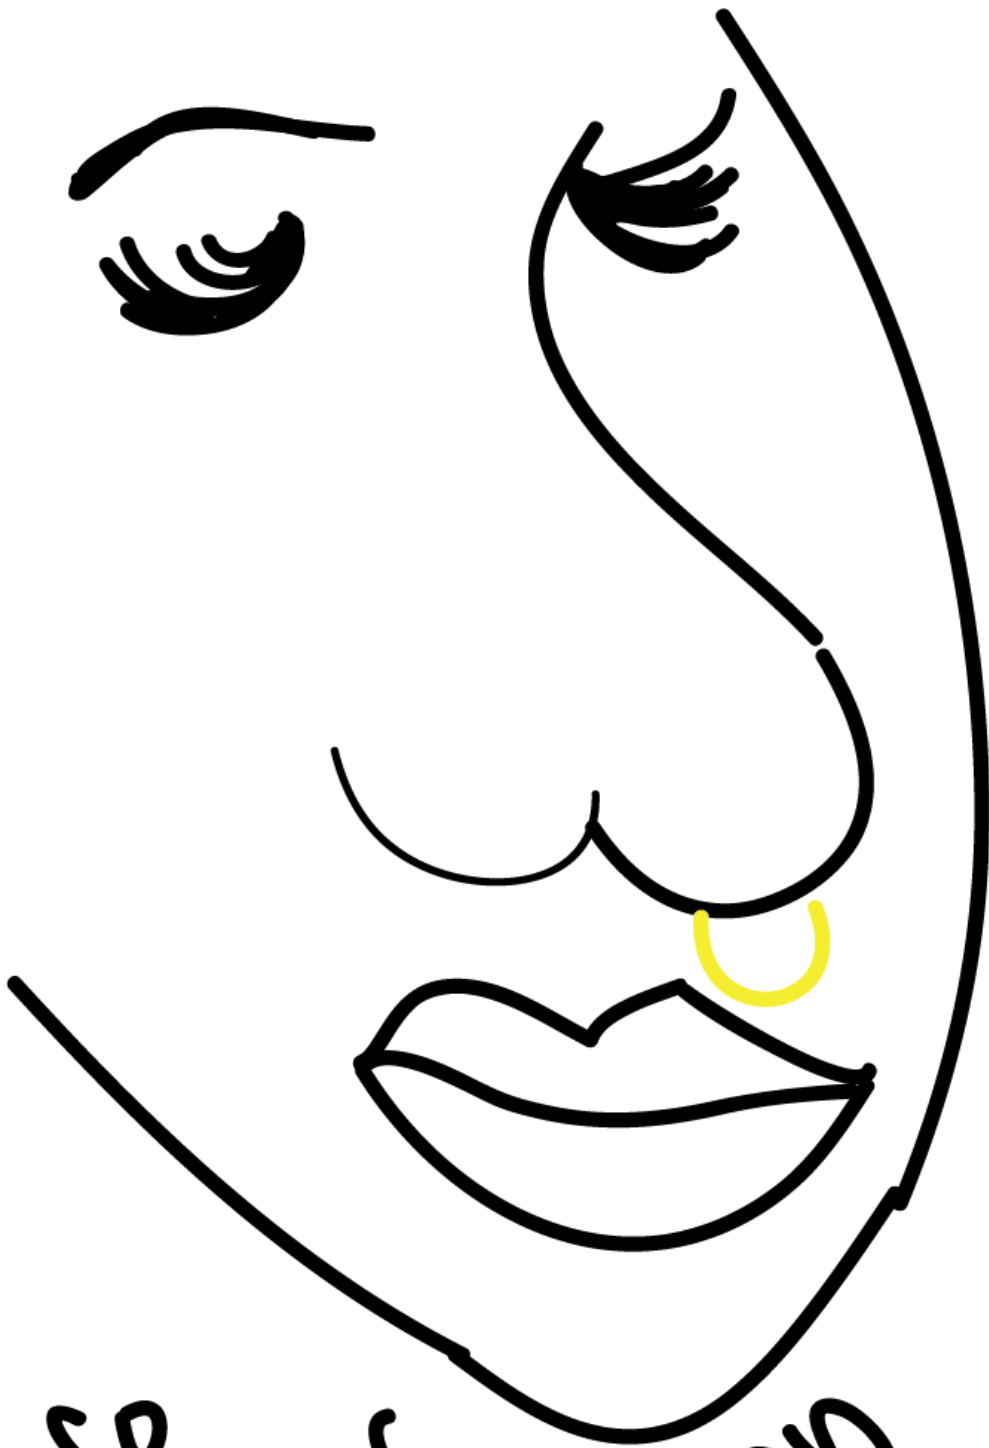

you

Stunning

There are
holes in your

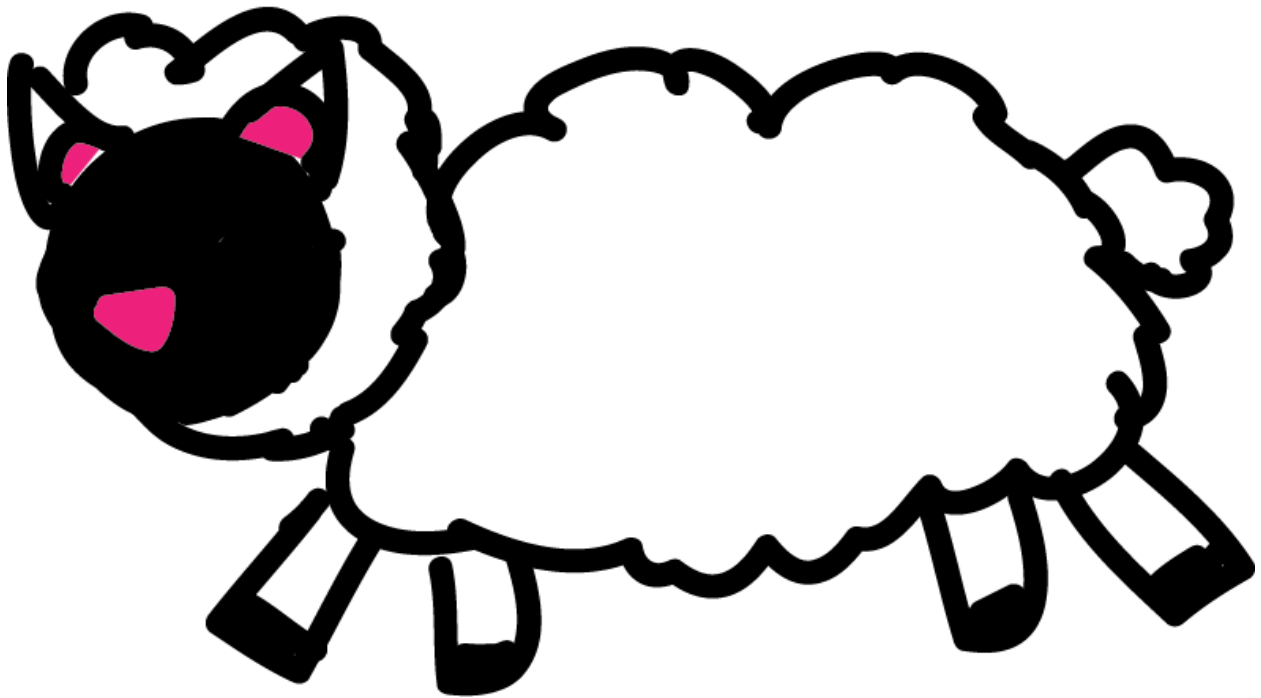

Story

so
full of
indecision

I KEEP
HAVING THE
SAME DREAM

↓
I ONLY ↙

Have

enough

faith

FOR

↗ one

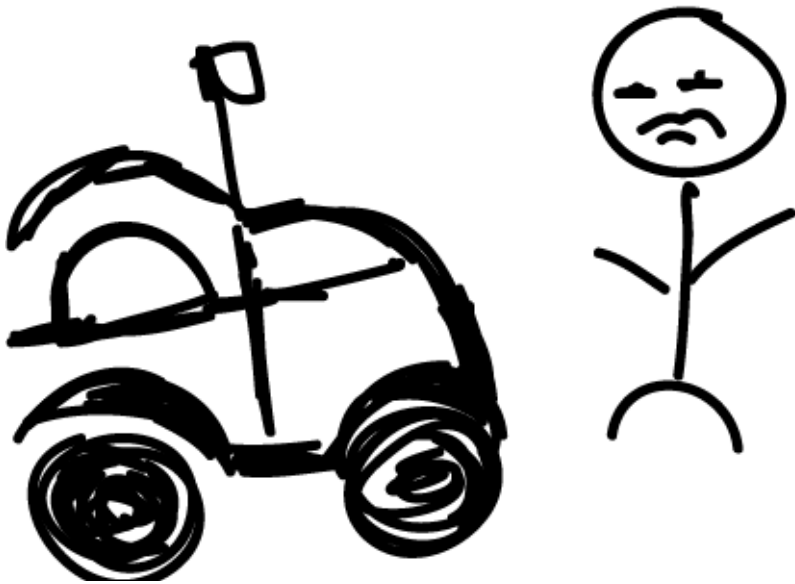

↘

you're doing

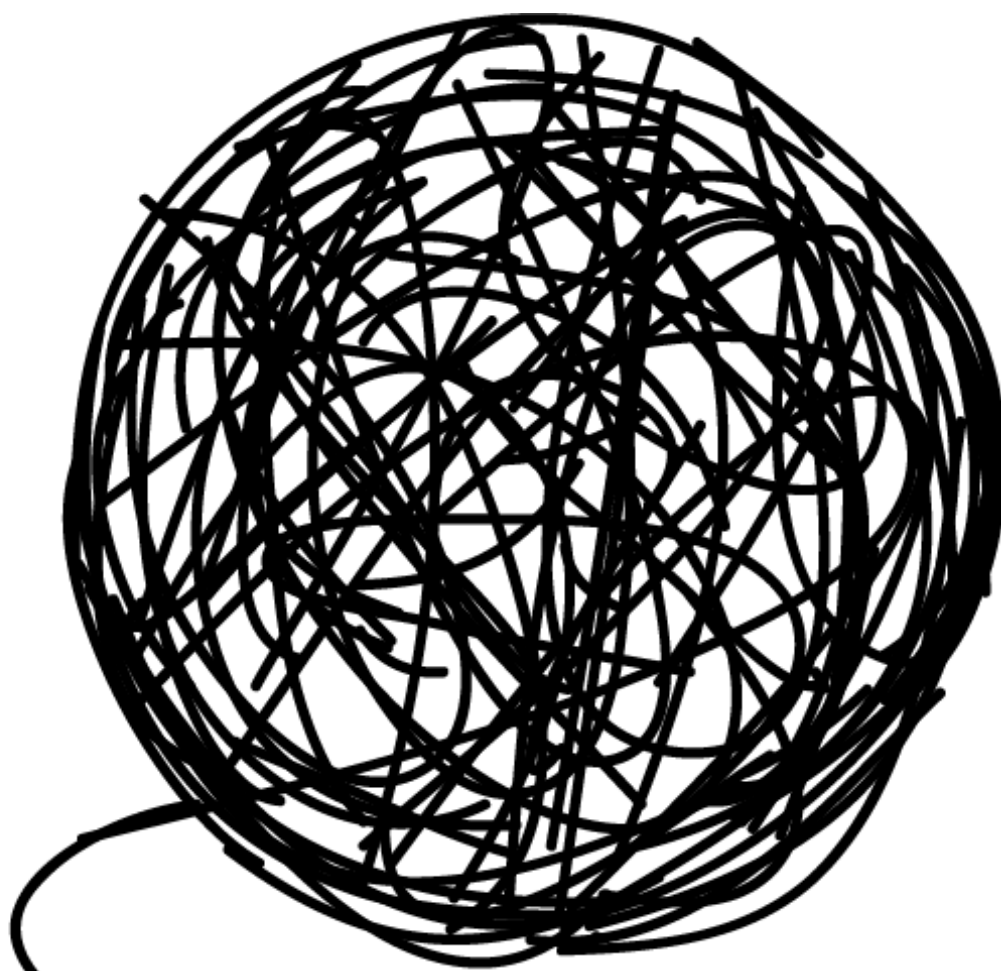

it

ALL

WRONG

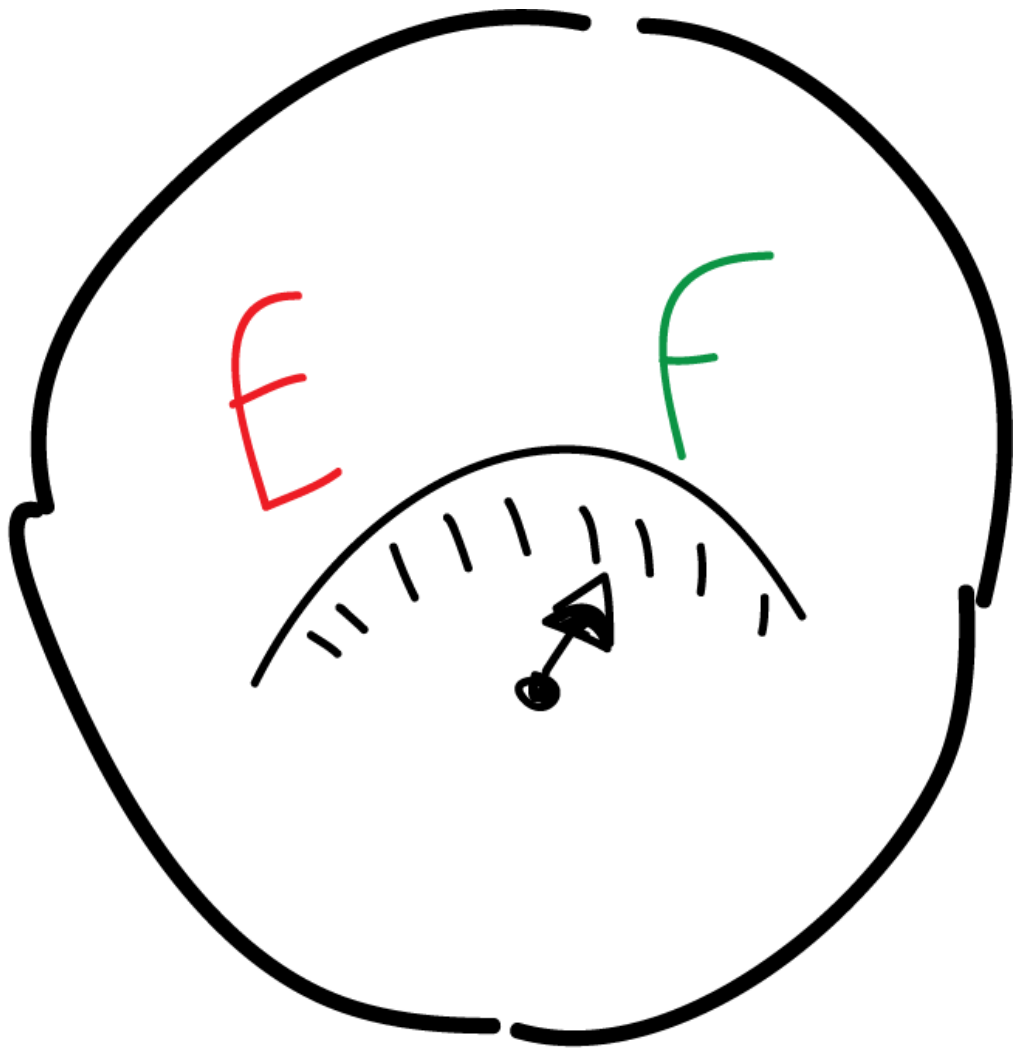

I am
unraveling

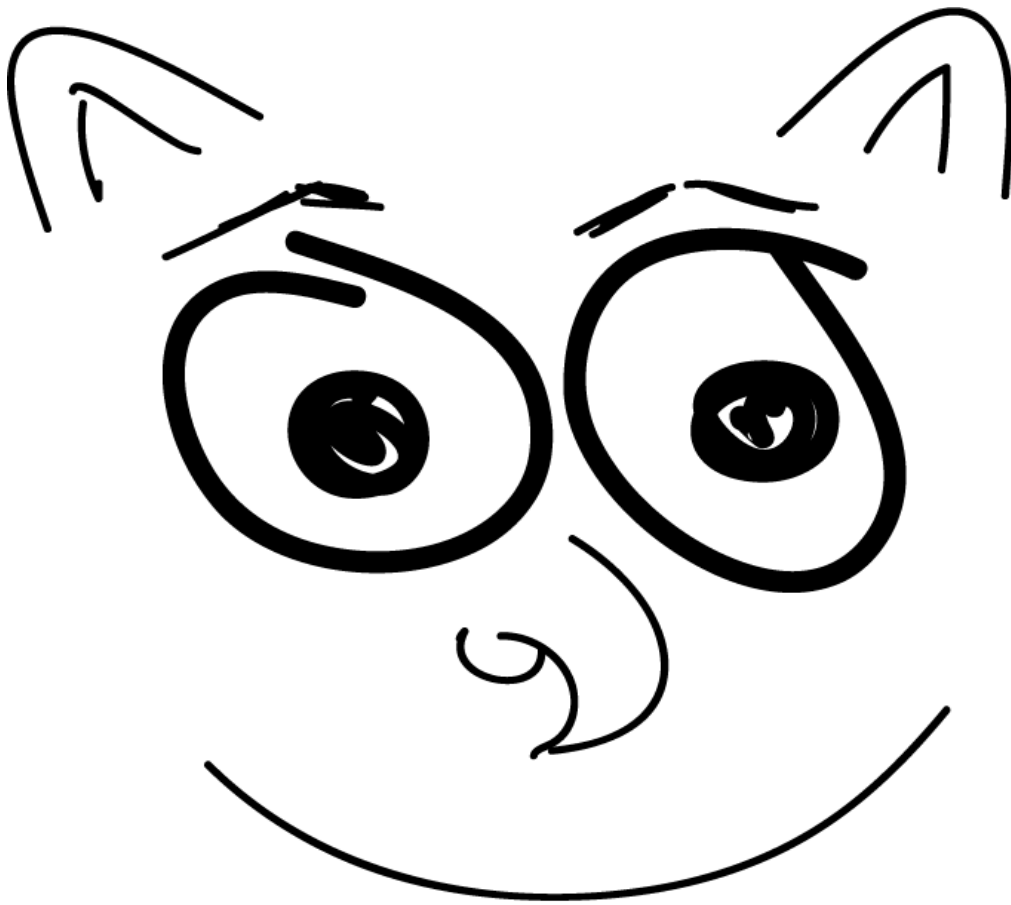

I CAN'T
FIND MY
THINKING CAP

I'm gonna
need a
2nd chance

Range O' Meter

Let's be
honest
I'm not all that
clever

There's always
Java on
the floor

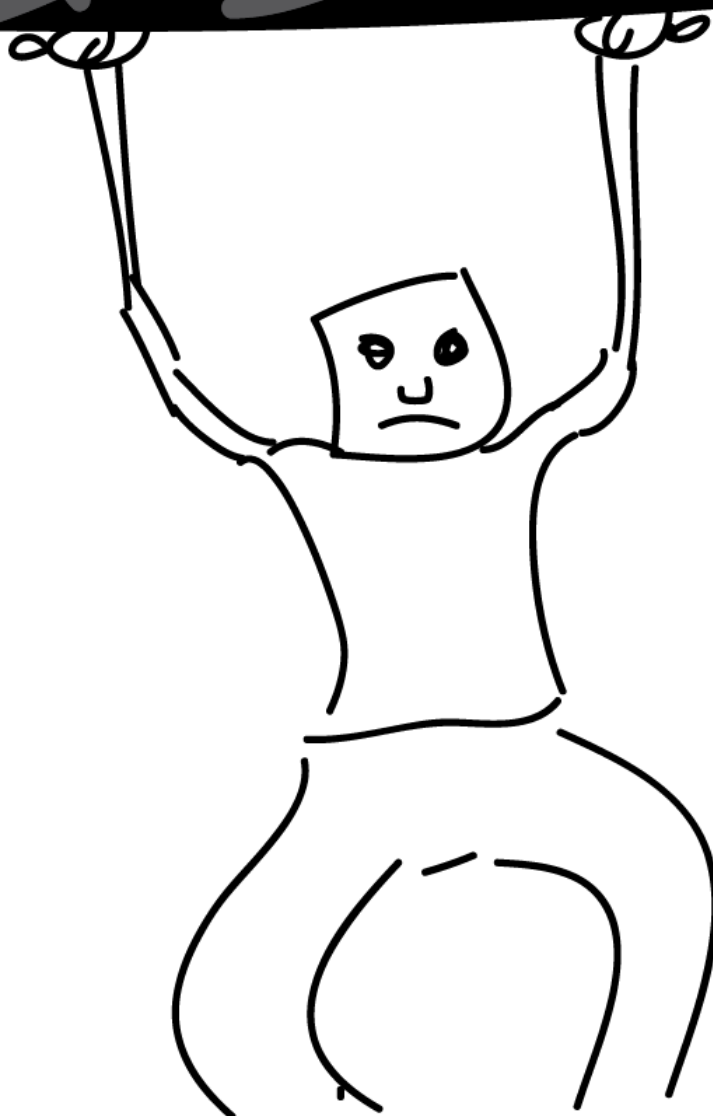

I'm
SURE you've
heard this
all Before

all your expectations
are gonna explode
in your face

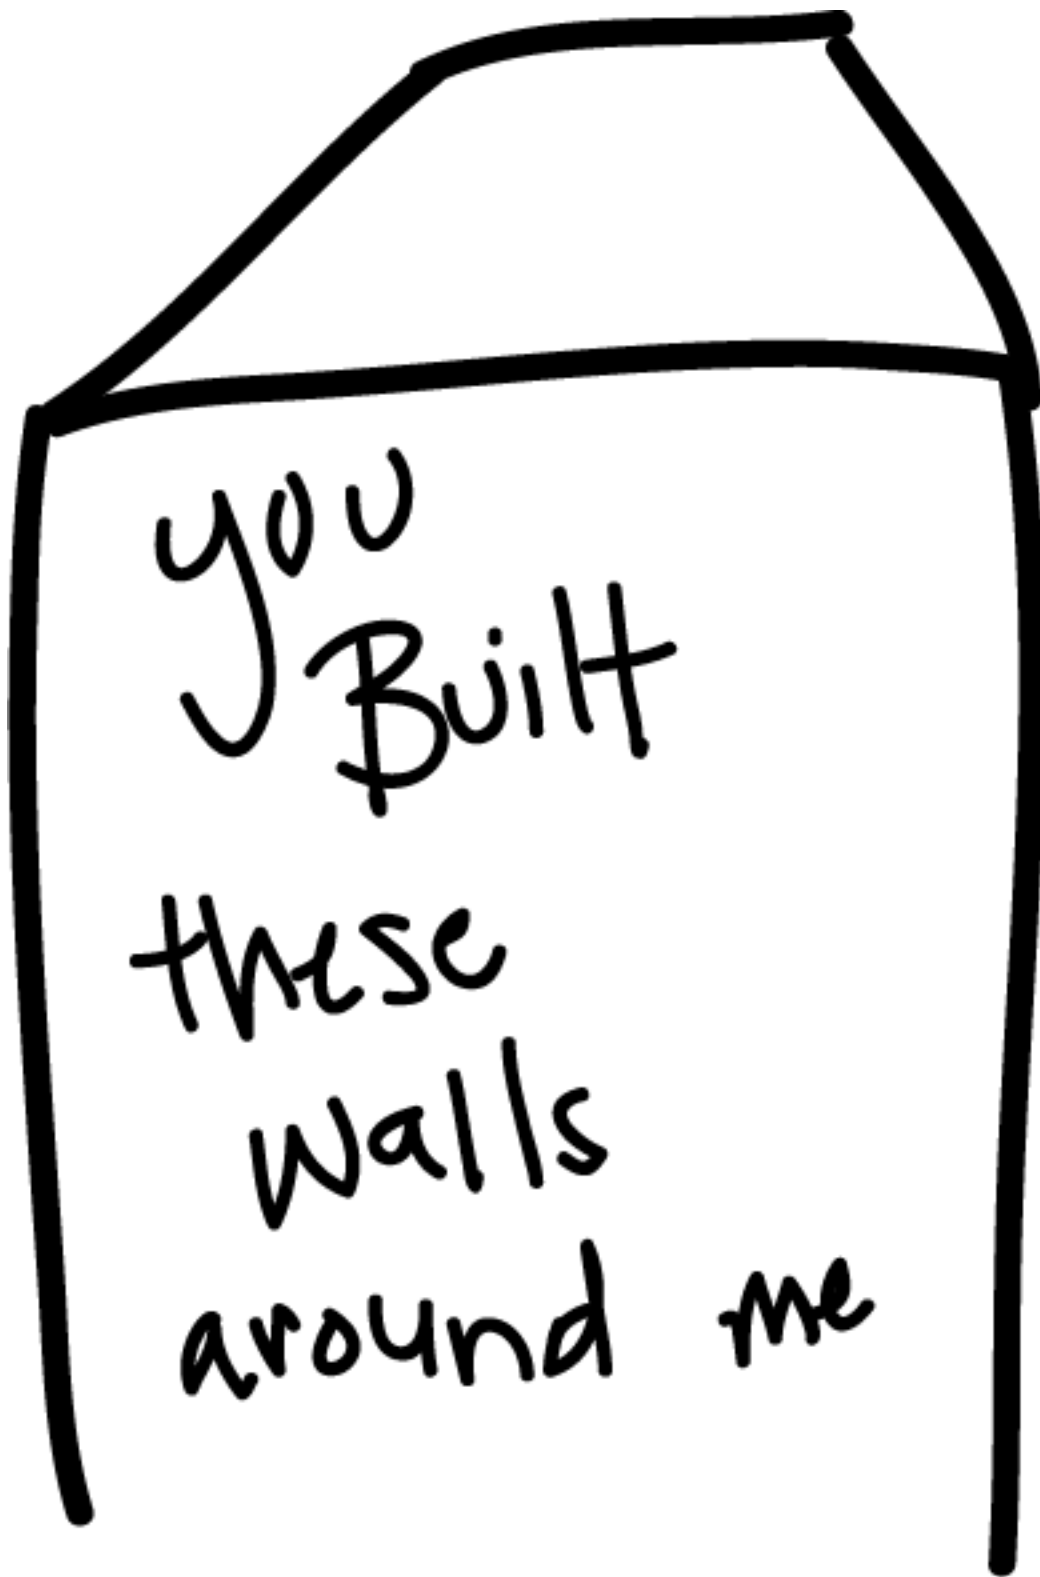

this is what
depression looks
like

I can't keep a
cactus
alive
and you

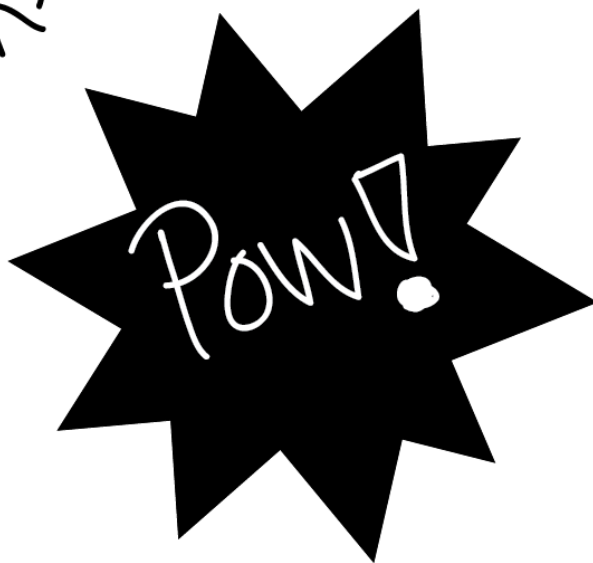

expect
me to
take
care of
myself

Wondering
Where
you
Are

you
Really
wanna
hurt me

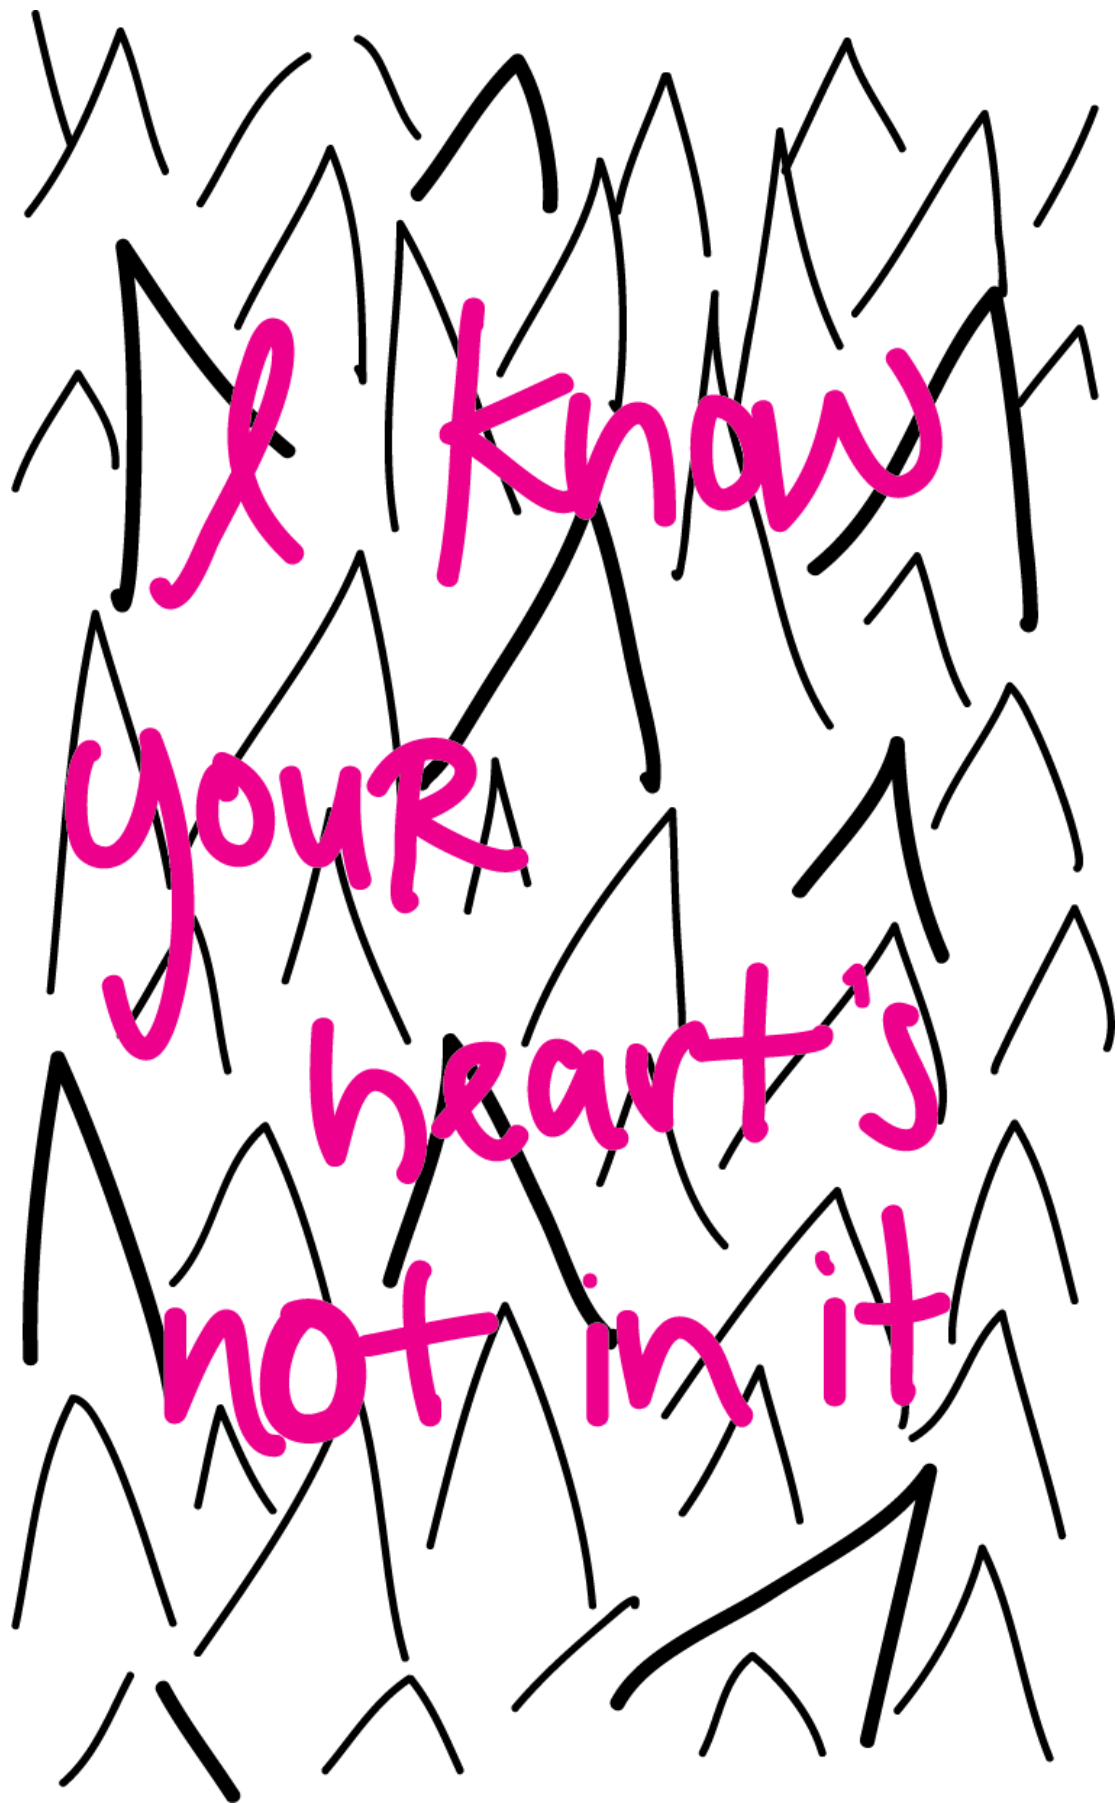

I'm my
oldest
friend

I'm
in the
middle
of all
this
struggle

Lonely

I know
your
heart's
not in it

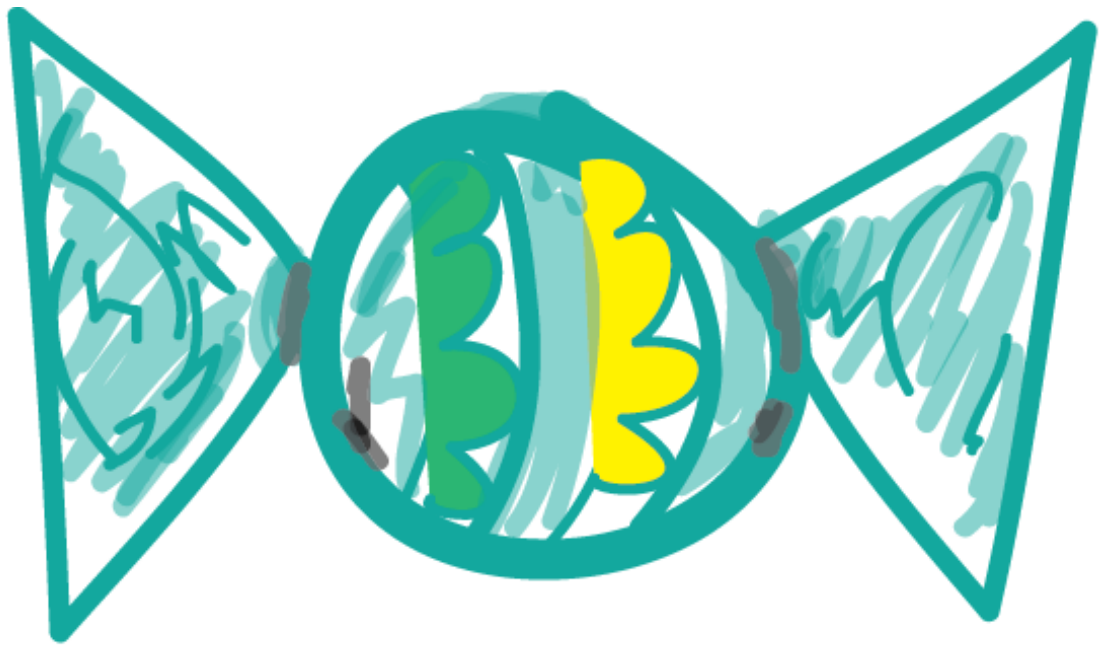

HERE

is a hard
place to be

*this
collar
is too
tight*

Everything is
a little

Bitter
Sweet

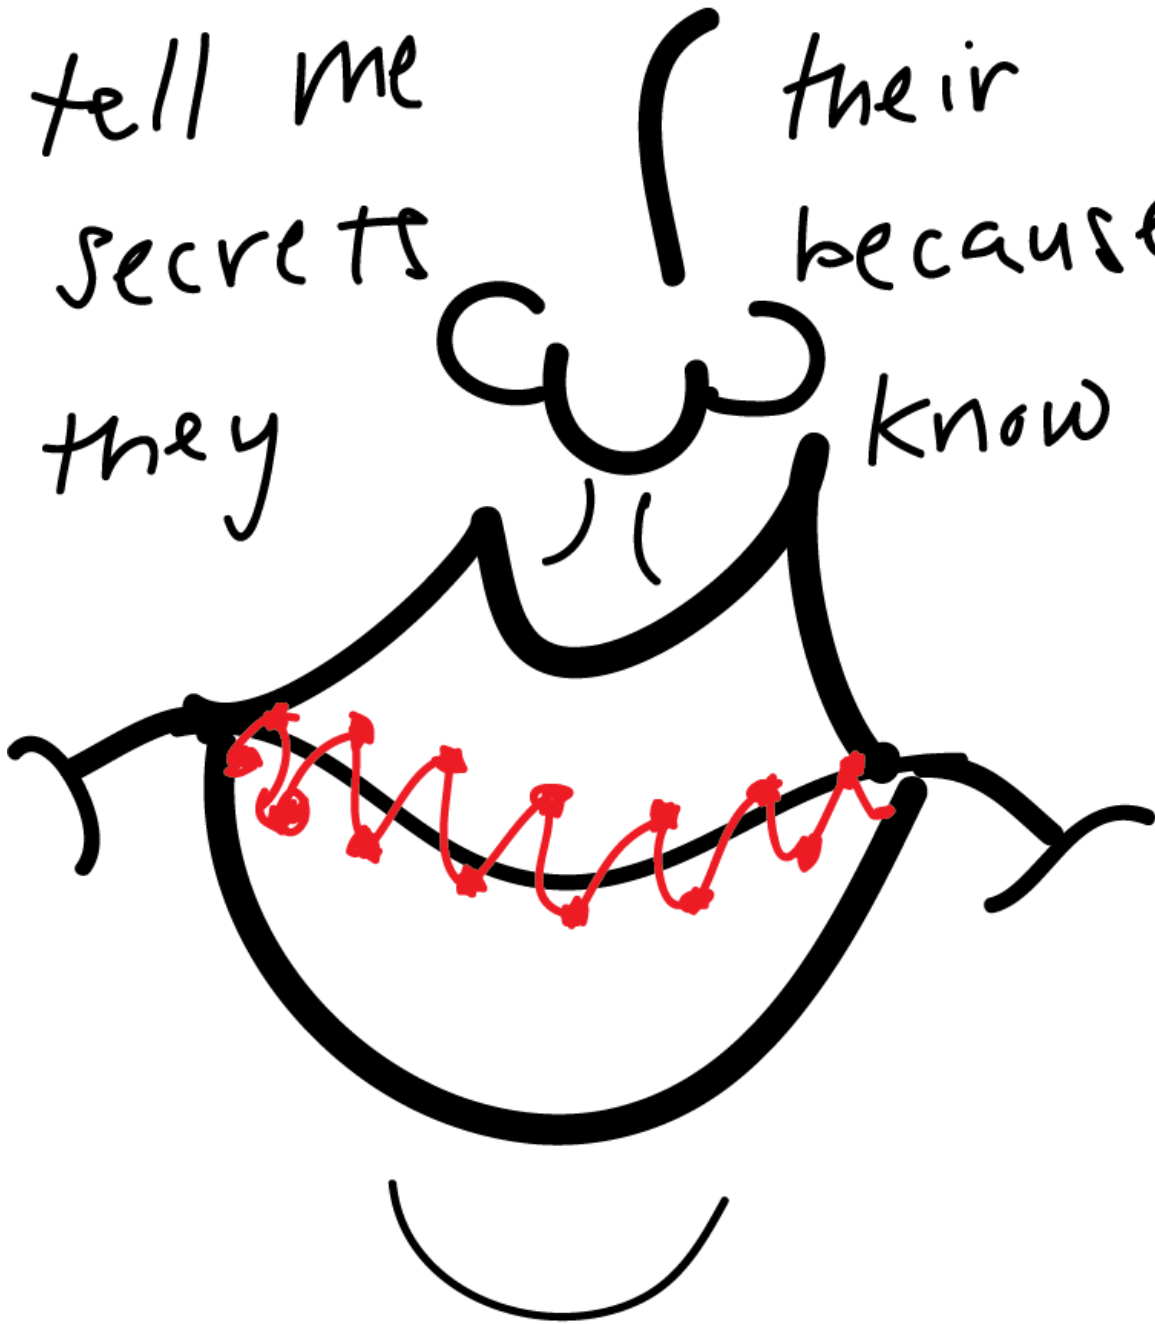

you said it
would be
over soon

All the
Cool Kids

have
expiration
dates

I'm afraid people
tell me their
secrets because
they know

I have no one
to tell

And I Still
Can't See

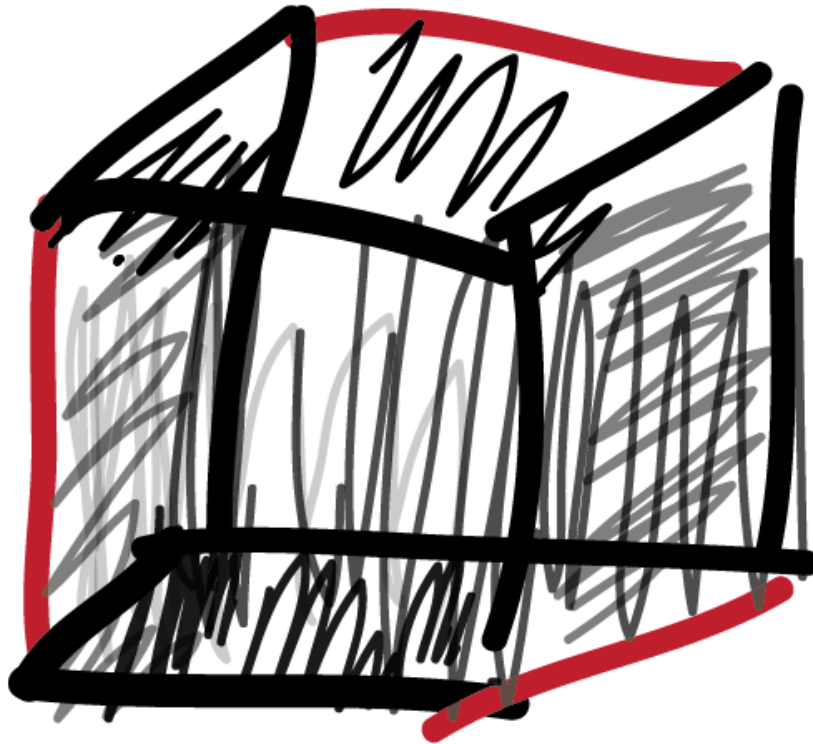

there's
nowhere
to

Hide

I'm nothing
more
than
an
experiment

All the things

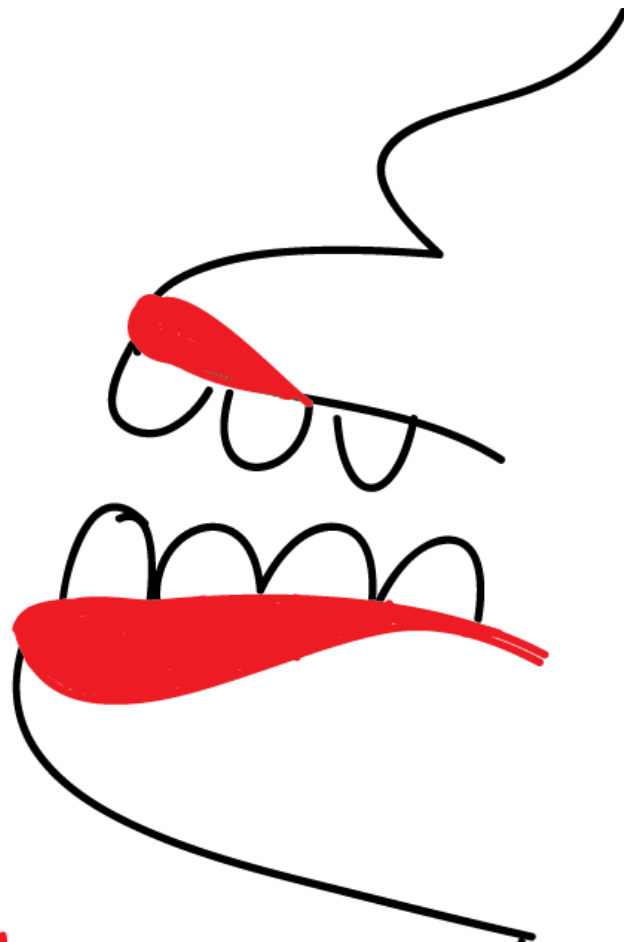

I love could
fit in this box

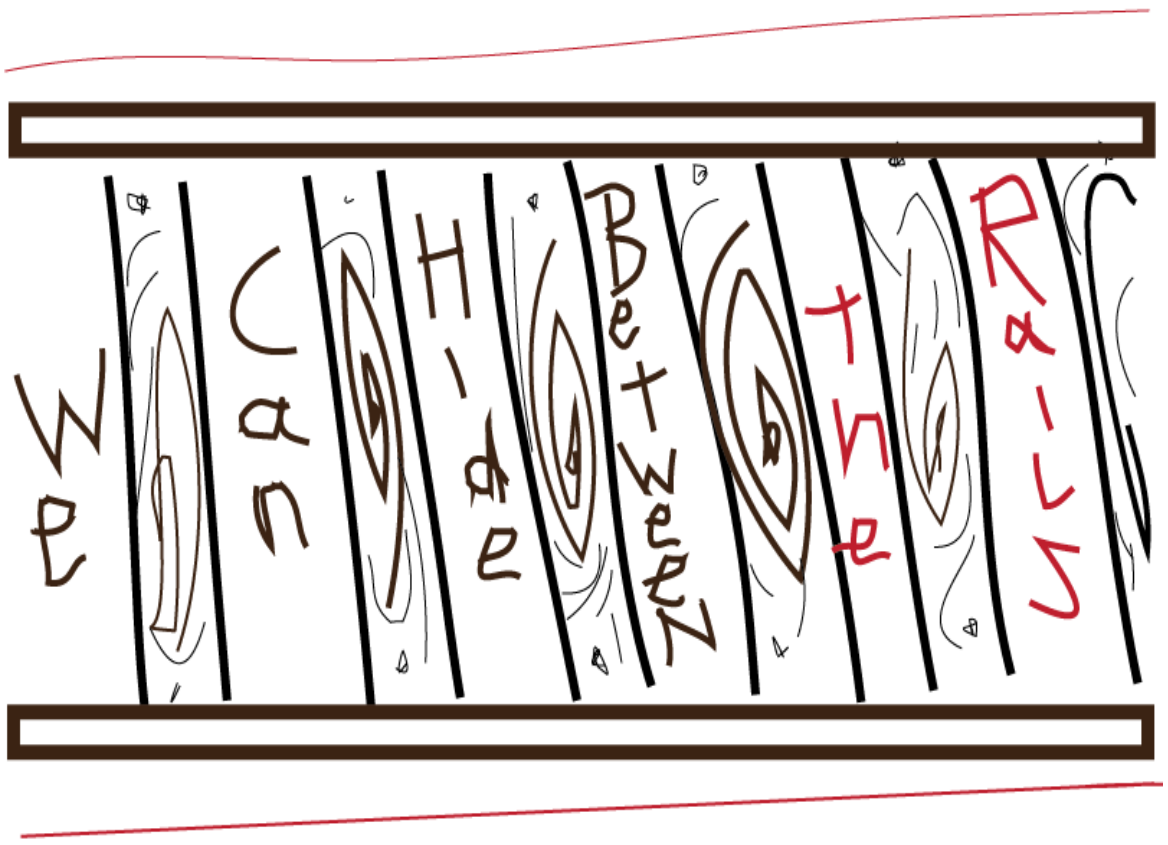

I'll keep you
warm if
only to regret it

I'd
swallow
my PRIDE
But I think
I'm Allergic

CRIES OF OUTRAGE

Oh

DAMN

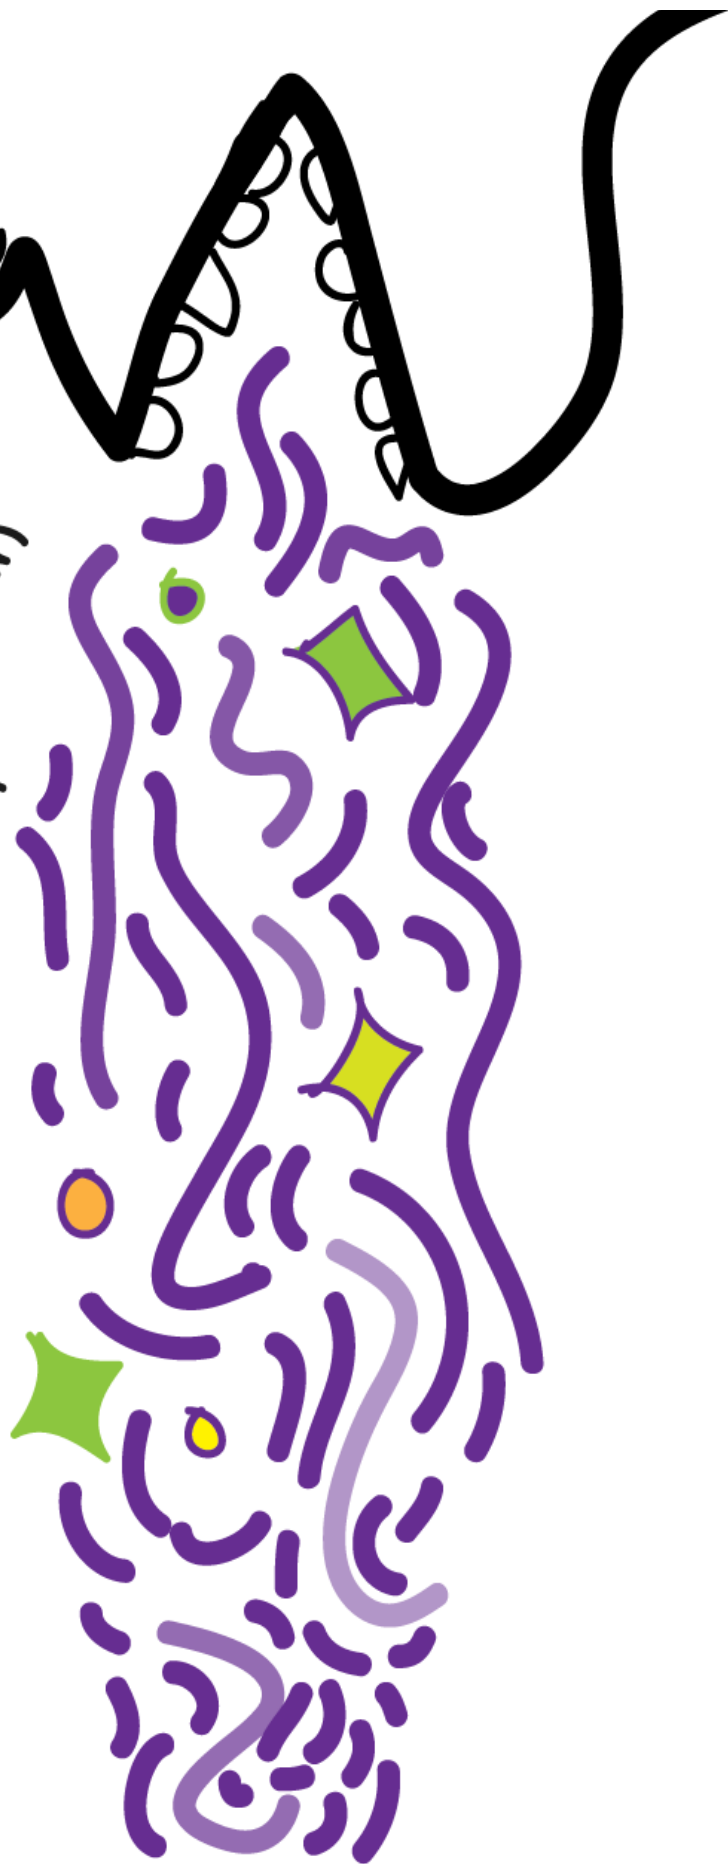

THESE

WALLS

Sometimes
Contrast
is a bitch

Sometimes
Contrast
is a bitch

this a was there
time once
normal when

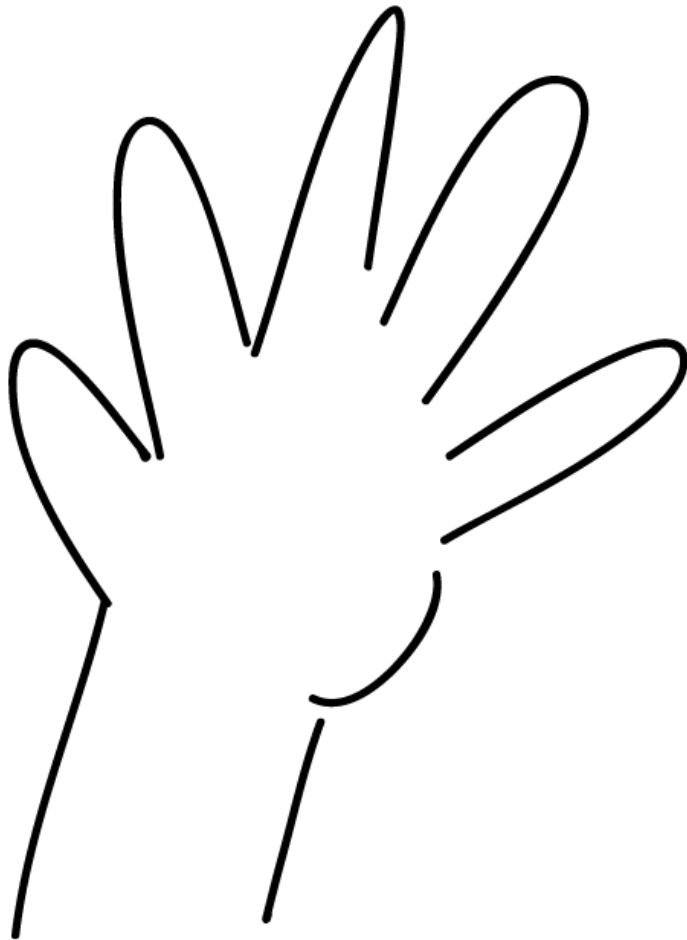

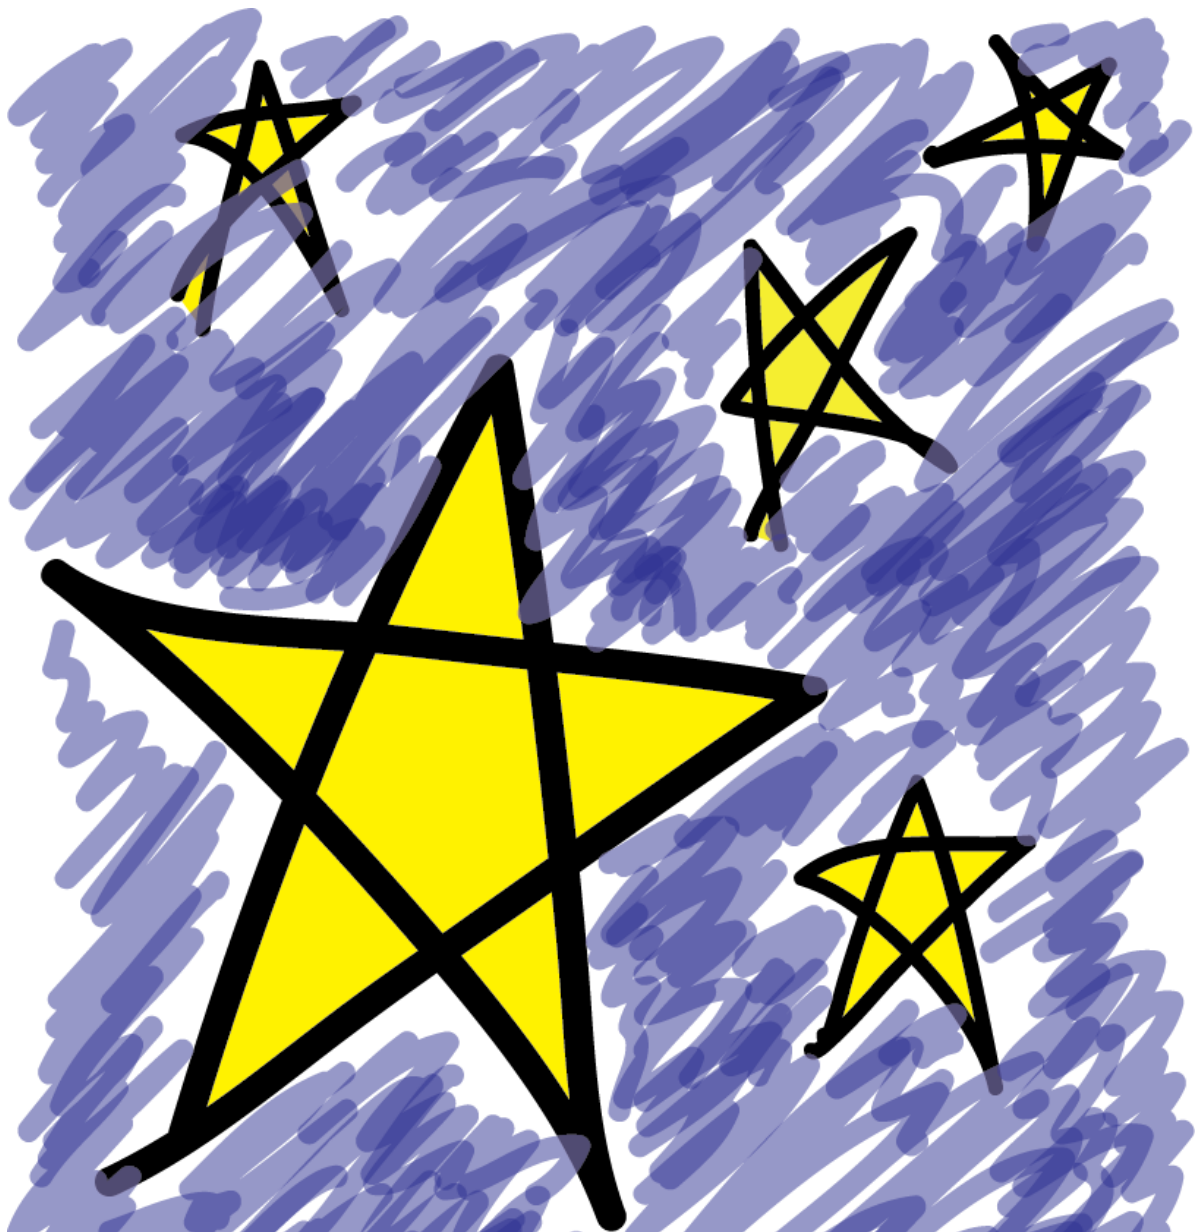

I'm sorry that
they clipped your
wings

I'll Make
it Better

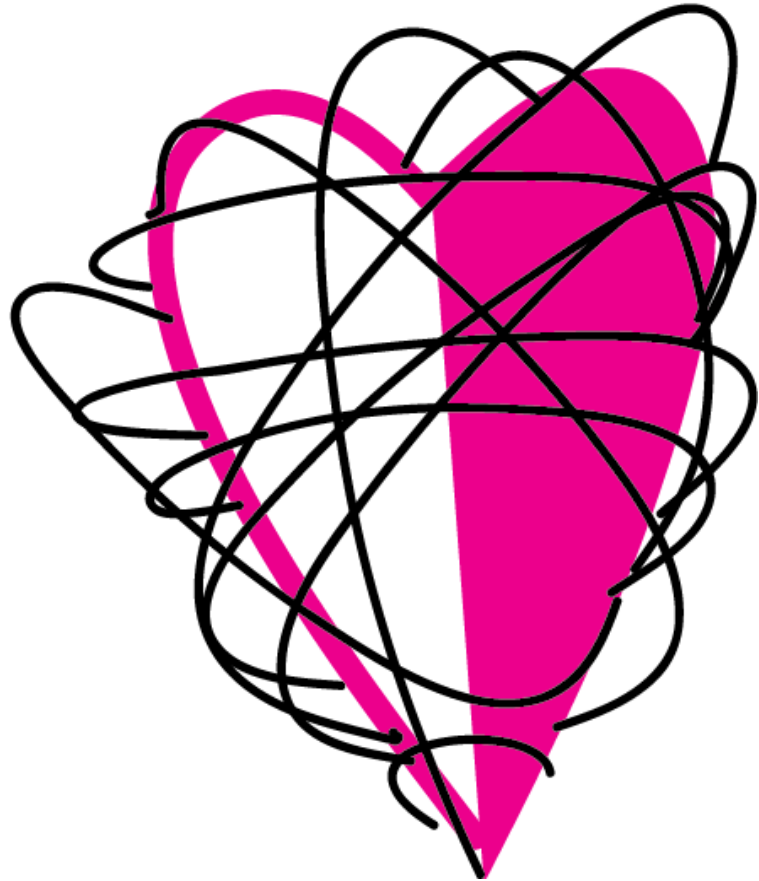

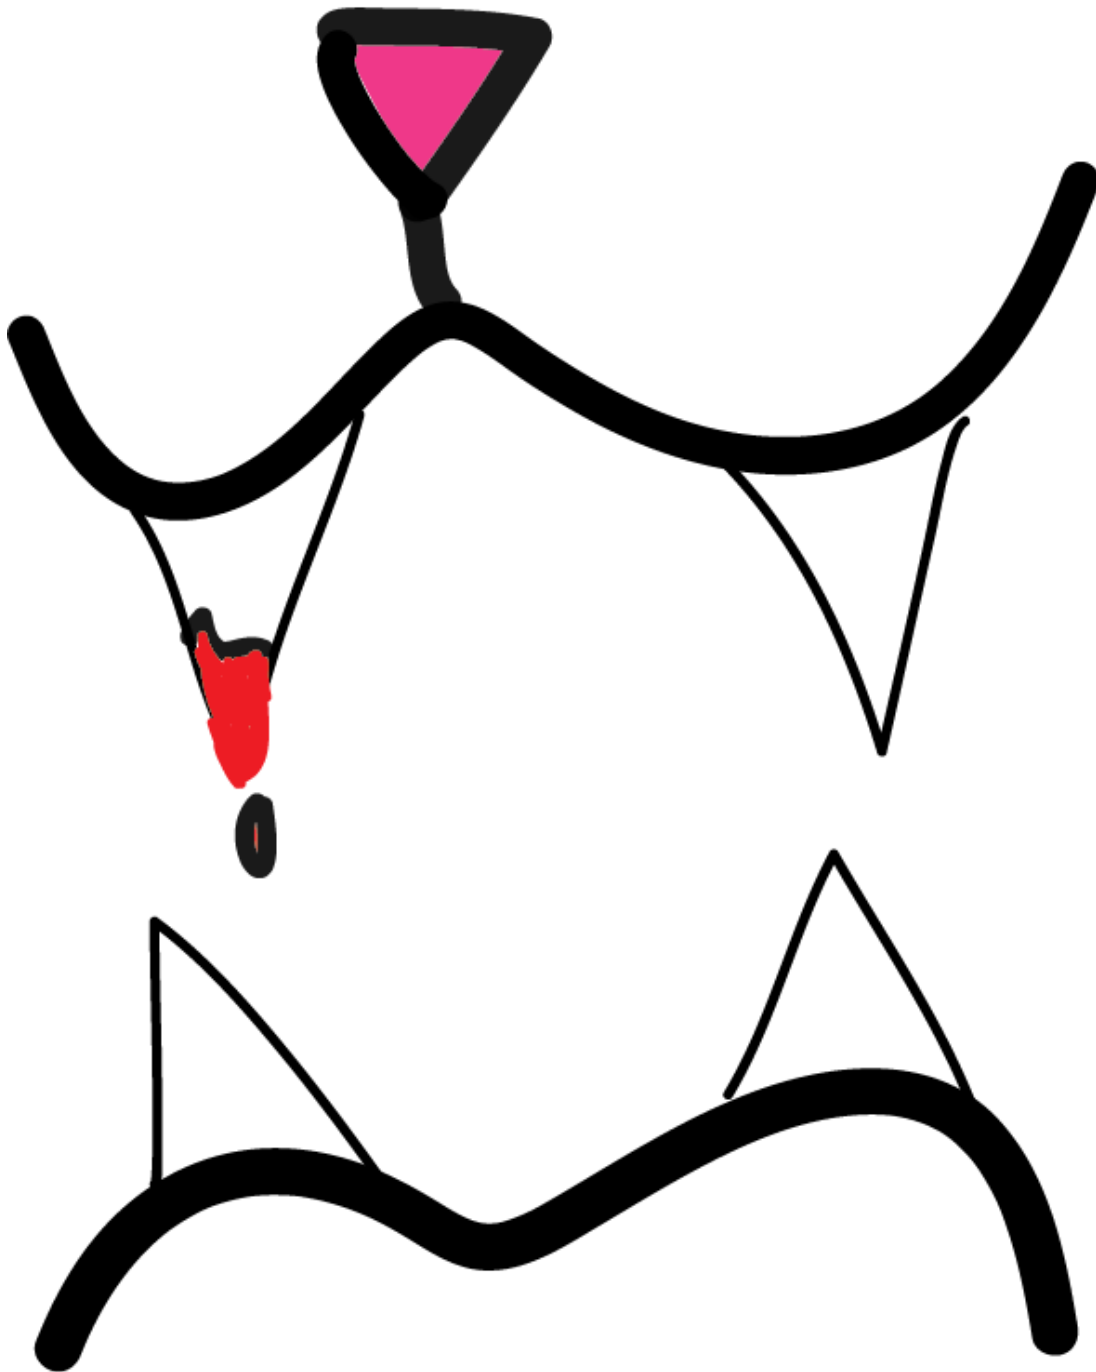

If you keep
looking up you'll
hurt your neck

I don't
want to love
Somebody
else

I never meant to
hurt you

Stop talking in

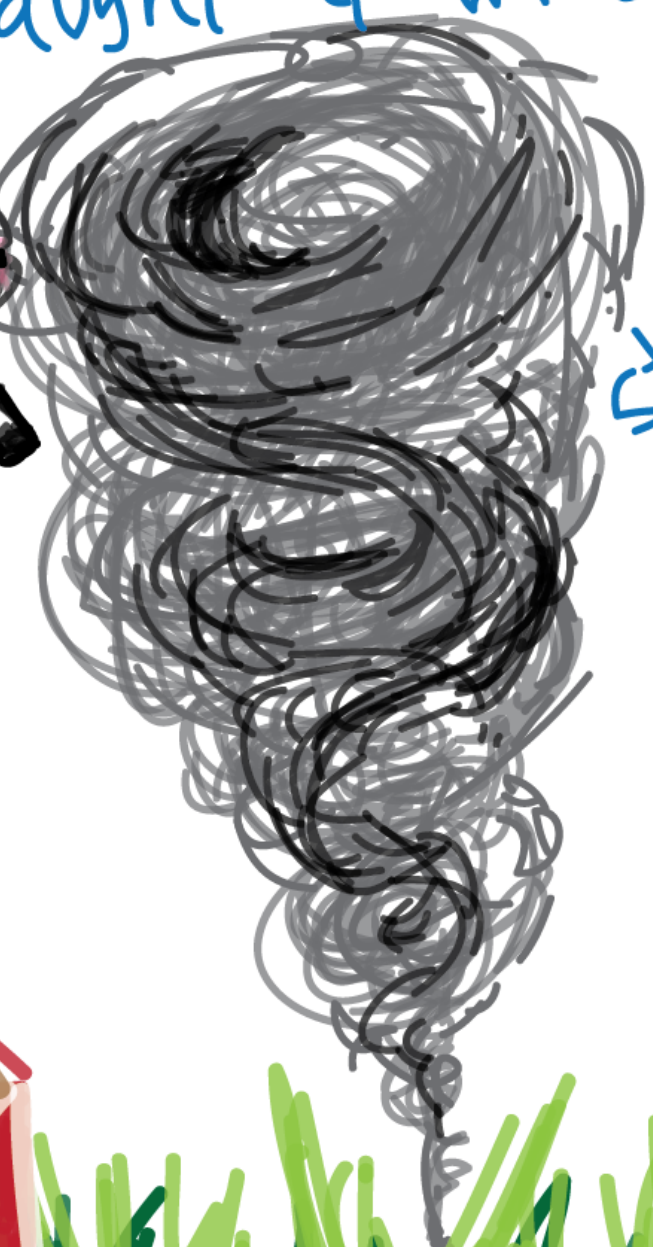

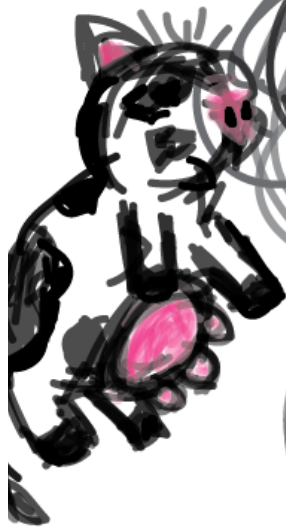

CIRCLES

take care of
What blooms from
your lips

All caught up in your

STORM

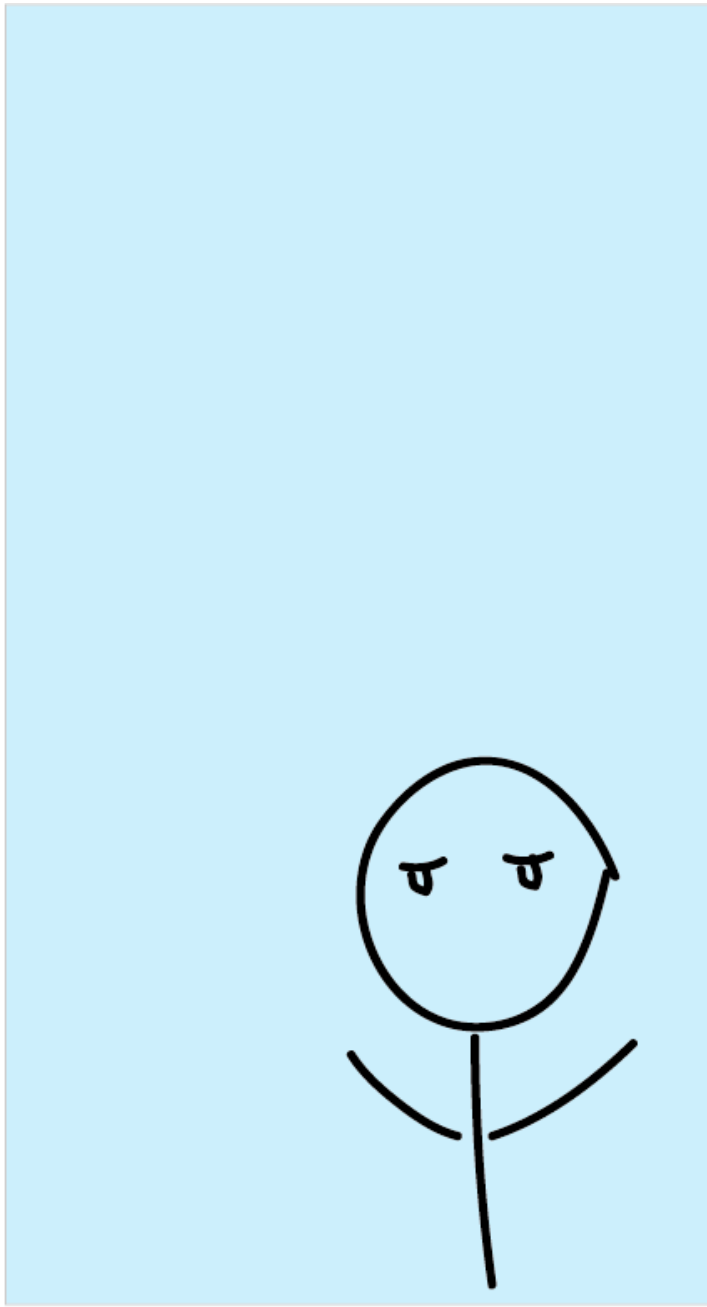

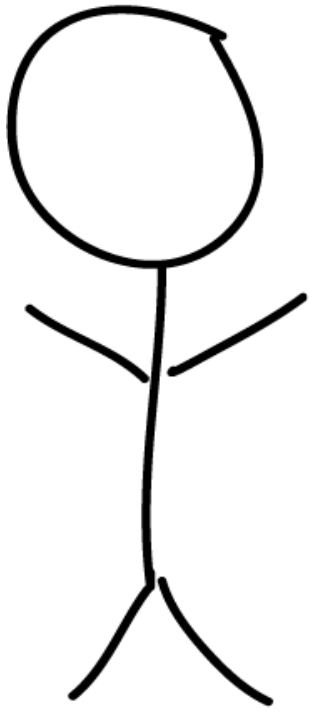

But I don't
UNDERSTAND

i'll fight
for you

I'm not who
I was

I'd like
to think I
make

A
Difference

Please
look me in
the eye

I can't
decide

who I
want to be

with you

staring at
me

like that

Talk is
Cheap

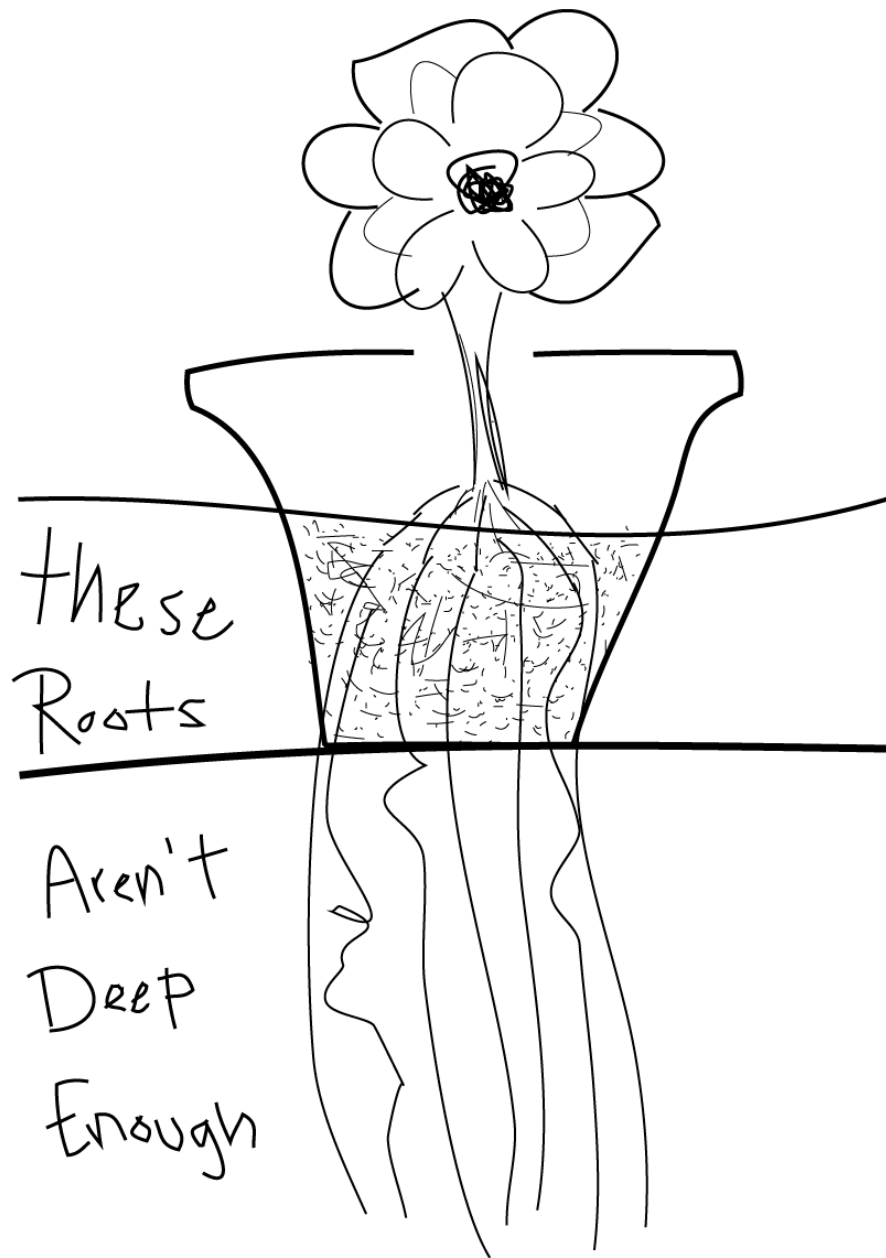

Please

tell

me you

See

me

Dear LORD

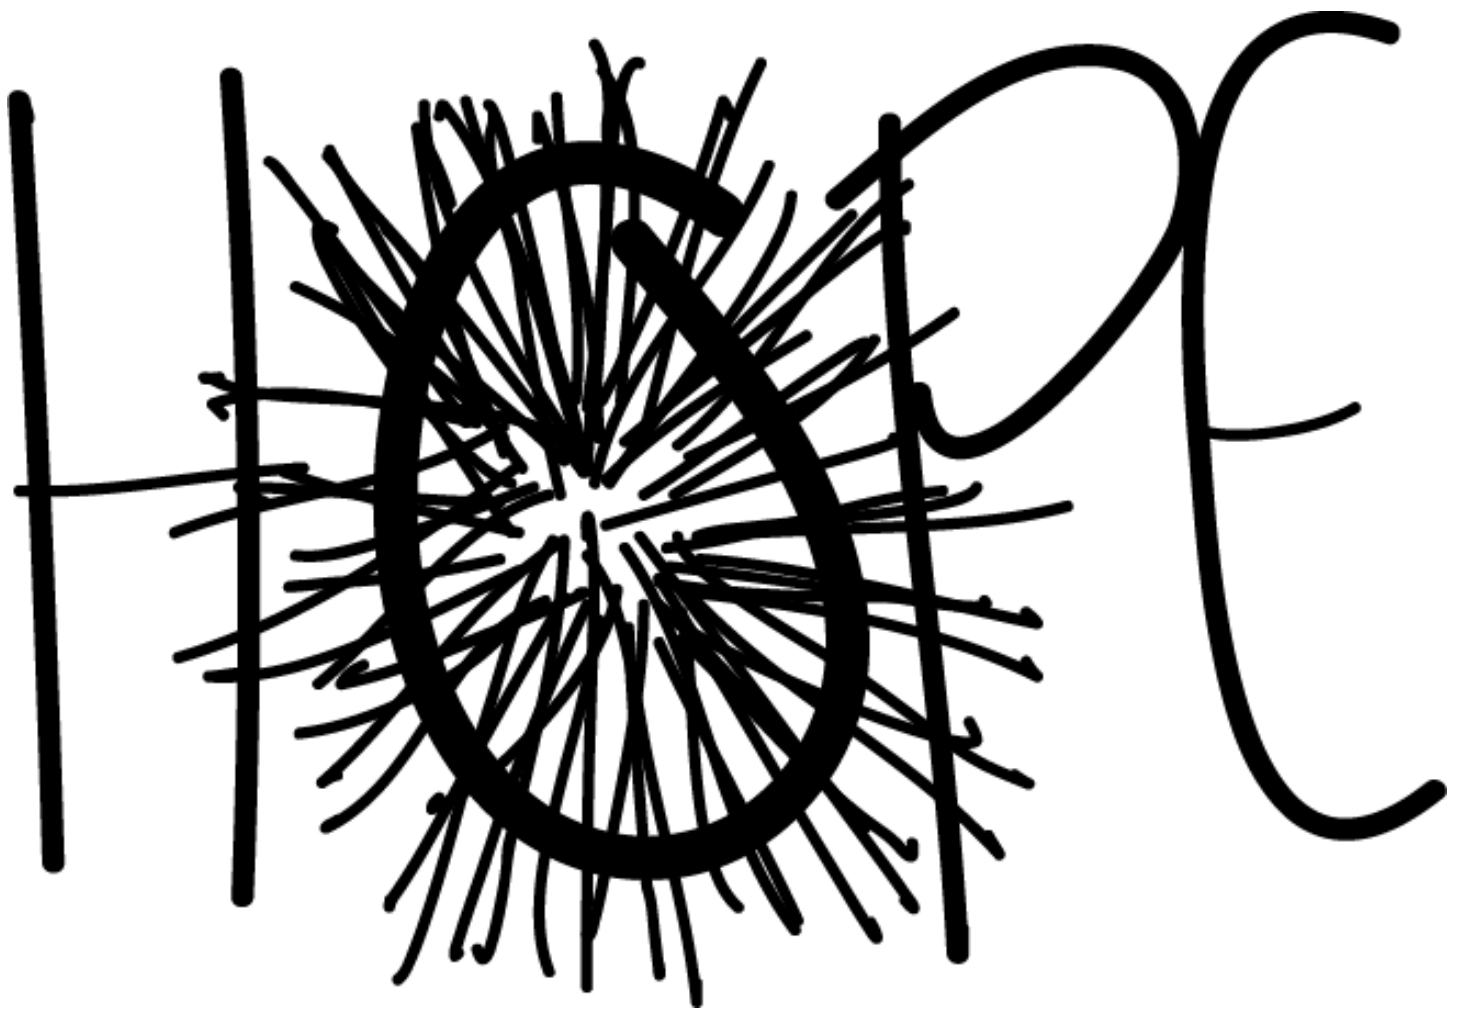

Don't

Panic

Don't
tease Me

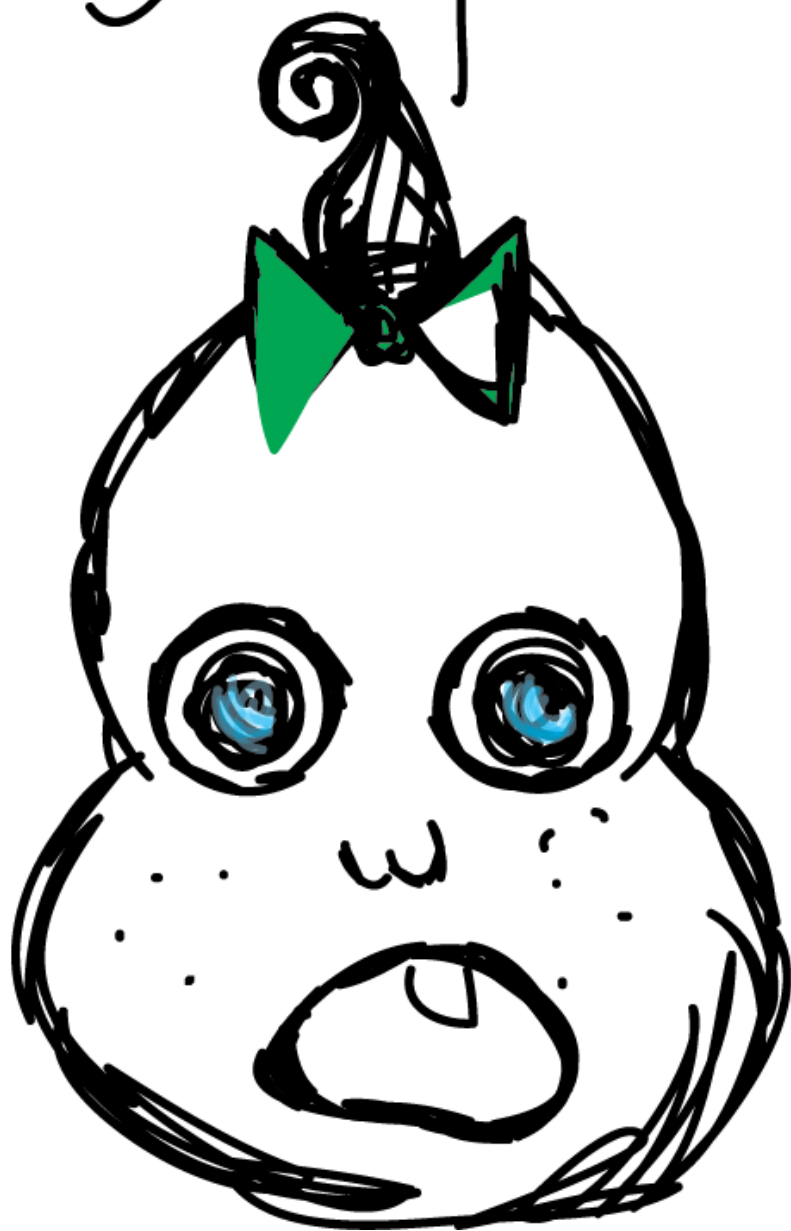

But I Want More

I'll Be **YOUR**

Baby

i'm afraid of
heights

I've been living
in a soft
leather bound
cage with pores
that let water
out but refuse
to let any in

Don't
let them
Keep you
from
your
goals

I'm so close

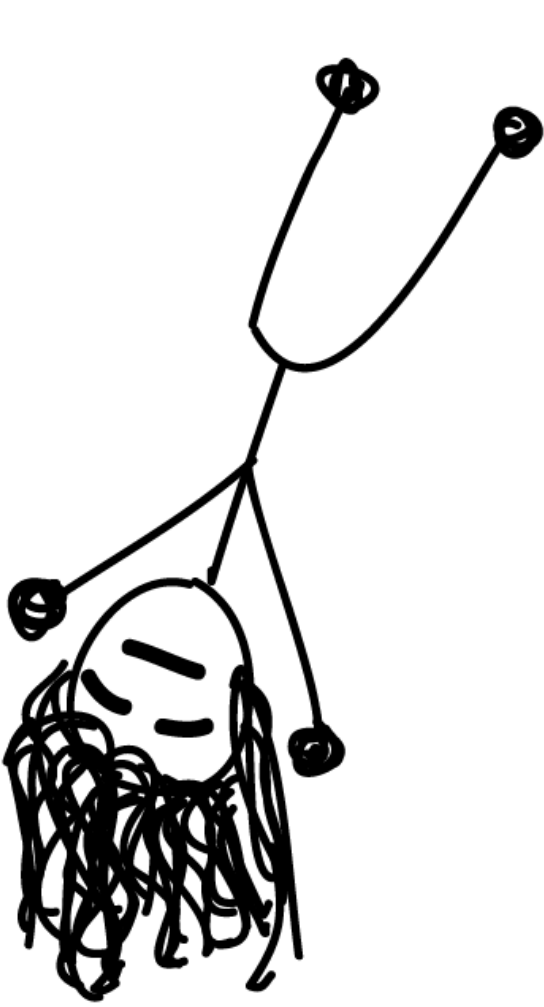

Please give up

on

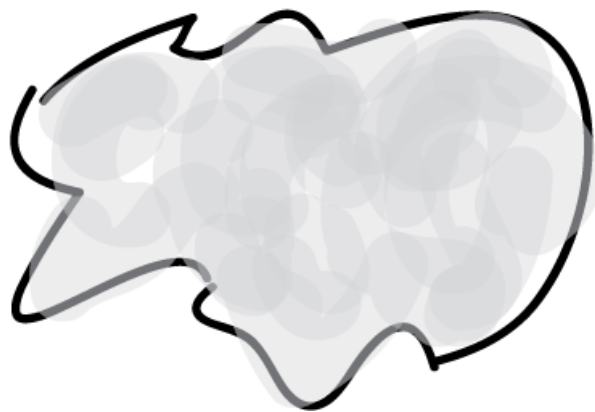

me

Trust
Fall

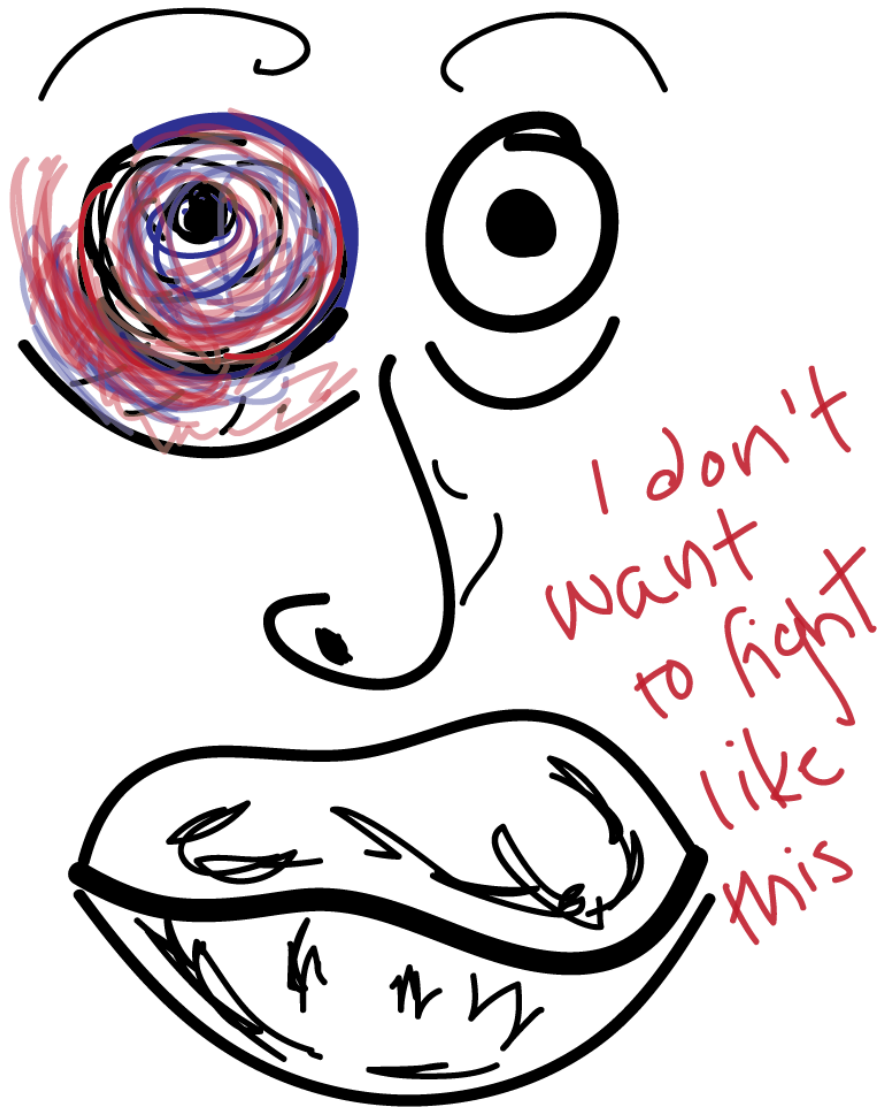

This is
my
fault

The parts of
me I find
beautiful are
the ones
you pointed
 out

It doesn't
have to be
this hard

I wish I was
just

over my
head
